THE ACADIAN.

WOLFVILLE, N. S., OCT. 5, 1888

Local and Provincial.

SPECTATOR.—The Annapolis Spectator in its new dress looks very nice. Success to the new management!

THANKS.—Mr J. Wesley Stewart, of Grand Pré, presented us last week with a box of fine pencils. We return thanks.

SOME APPLES.—Over 2100 barrels of apples were forwarded from Port Williams station on Tuesday last, nearly all of which were for the English market.

CROWDED OUT.—A number of interesting communications, as well as a quantity of editorial matter prepared for this issue, have been unavoidably crowded out.

RAIN.—The biggest rain-storm of the season took place on Wednesday when a perfect deluge occurred. The weather has been very cold during the past week.

See those Buck-saws at B. G. Bishop's only 75cts.

RETURNED.—Mr K. E. Bishop, who has been attending business college in the United States, returned on Saturday last and will resume his position as salesman in Mr Burpee Witter's dry-goods store.

Twenty cents a dozen for eggs paid by J. E. DeWolfe & Co.

SOCIAL.—The members of the choir of the Baptist church were invited to spend Wednesday evening at the home of the chorister, Mr G. V. Rand. We understand a very pleasant evening was spent.

See the Yankee Lantern for 75cts at B. G. Bishop's.

BASKET FESTIVAL.—A basket festival was held at Black River on the evening of the 3d inst. This is one of a series of similar gatherings for the purpose of raising funds to repair their place of worship.

Choice Labrador herring in 1/2 barrels at Prat's.

ORGAN RECITAL.—There is to be an organ recital in the Baptist church this evening. Prof. Porter will preside at the organ and a choice programme of vocal and instrumental music is to be rendered. No doubt a very pleasant time will be had.

A big stock of Stone Butter Cakes at B. G. Bishop's.

SWEET VIOLETS.—This truly is a wonderful climate. Mayflowers bloom amid the snow and fruit-trees blossom all summer. This week Mr C. A. Patrinquin has come out ahead in plucking a violet. The little flower is as fresh and beautiful as it would be in the gentle springtime.

T.—50 Half chests 15c. Tea at Red Store, Kentville.

BIG TURNIP.—We were shown on Tuesday by Fred J. Fieldon, of Gaspe, a "White Globe" turnip which measured 31 inches in circumference and weighed 12 pounds. It was perfectly smooth and a beauty. Mr Fieldon tells us we may expect to hear from him again later in the season.

100 Bbls Choice Flour bought before the late advance just in at R. Prat's.

VISITATION.—The Presbyterian congregations of this place and Lower Horton will be visited next Tuesday by the western portion of the Presbytery of Nova Scotia. Rev. A. P. Logan, of Waterville, will preach at Lower Horton in the afternoon and Rev. Mr DeGg, of Kentville, at this place in the evening.

JUST RECEIVED.—The finest lot of Hanging Lamps in the county at B. G. Bishop's.

OUR GOLD MINER.—Mr W. J. Nelson, one of the leading gold mine speculators of this Province, was in Wolfville this week on his way to Philadelphia. We called upon him at the American House on Wednesday and gained from him much interesting information in regard to the gold mines of Nova Scotia. Mr Nelson showed us a brick of gold weighing 52 oz. which he had just taken from a mine at Brookfield which he has recently sold. The brick is the product of 8 1/2 tons of quartz. He also showed us specimens from a mine at Gold River which he is now plying on the market. They are remarkably rich and contain many pretty "glints" of ore. Mr Nelson is an energetic miner and is doing much to develop the mines of our Province.

Christian Liberty.

In Wolfville a most gratifying evidence is manifest of the hearty good-will between various branches of the Christian church. Clergymen of all denominations fraternise in the most friendly manner. The funeral of the late Dr Crawley on Saturday last brought together on the same platform ministers of various creeds. The Episcopal church has been renovated and while repairs were in progress the Presbyterians gave the use of their place of worship to the Episcopalians for several months, their own pastor being absent from King's. On Sunday last three services were held in the parish church and we are told that no less than sixty-four communicants partook of the sacred elements. During the late visitation by his Lordship Bishop Courtney the church edifice was crowded, many leading dissenters having attended. These proofs of good-will and absence of sectarian prejudice are most commendable—long may they continue. VISITOR.

Waterville.

Mr Cox, who has successfully taught the school here the past year, has resigned to study at Acadia College, and Mr Frank Norton, grade B. teacher, a pupil of the Waterville school, is his successor.

The traces of the artist Newton Brown are to be seen on the stores and other buildings of the village from his late visit to this place.

W. W. Pines Esq. who has been giving considerable attention to the raising of Black Berkshire pigs was successful in carrying off a large number of prizes at the Provincial Exhibition at Truro.

Cambridge.

A. A. Webster Esq. has his new mill at work and is turning out first class apple barrels with skill and rapidity.

C. W. F. Webster has enlarged and otherwise greatly improved the appearance of his dwelling house during the summer.

Jno. Webster Esq. has the finest field of corn and pumpkins in the county.

Mr Geo. Webster, having to a large extent retired from his blacksmithing business, is devoting the large area of orchard and judging from the productivity of his farm crops in general and the tidy, thrifty appearance of his place and belongings, he is making his new vocation a grand success. Robert Webster a younger brother, who has lately come into possession of the homestead farm is making large improvements on the place.

The ladies of the Baptist church are contemplating arrangements to tidy up the meeting-house, in the near future.

WANTED—1000 Doz. Eggs per week, highest prices paid cash or trade at E. C. Bishop's.

Canard Items.

For about a year Cornwallis Division has held an open entertainment for one night, near the close of each quarter. This is to allow the friends of the order living in the vicinity to meet with the Division and witness the literary talents of its members. On Monday evening Sept. 16th, the doors were opened to the public and the following programme submitted:

- Instrumental music. Reading, "The Bar-room." "Have Courage, My Boys." Instrumental music. Recitation, "Sheridan's Ride," H. G. Harris. Solo and chorus, "Shan the Bar-room." Instrumental music. Original paper, "Triumph of the Mind." Vocal duet, "Two Merry Girls," Misses Emma and May Farnham. Recitation, Extract from Shakespeare, Recitation, "A Citizen of Cleveland," C. W. Eaton. Pantomime, "Tooth-drawing Extraordinary." Instrumental music. God Save the Queen.

The programme was well carried out by all whose names appear on it, so that it is difficult to criticize where there is no chance to find fault. The instrumental music furnished by Miss Farnham and the vocal music by the different persons showed much care in preparation and taste in performance. The recitations were well rendered, and Mr McGowan furnished his usually carefully selected reading.

BERWICK TIMES.

NEWS, NOTES, JOTTINGS, ETCETERA.

Rev. D. O. Parker is our representative in Berwick, and is prepared to take orders for job printing and advertising. We are constantly adding to our plant, and will give prompt attention to all work. Get our prices.

J. Andrews, Esq., the one price man, has moved into his new house which is a neat and valuable addition to our village.

Mr Parker has a fine show of furniture in his new warehouses. He represents this paper in Berwick and takes subscriptions for it and orders for advertisements and job printing.

In our item last week respecting the P. O. savings bank in Berwick the printer made us tell only one fourth the truth. We wrote that this office does more business than any four such offices in Nova Scotia.

That live article "MAYBELLS OF ACADIA" in last week's ACADIAN must be taken with a grain of salt by all who do not esteem exaggeration a virtue, e.g. we are there told the annual product of gold in Nova Scotia now reaches \$1,000,000. The truth is that in 1887 the product was \$413,614, and for the whole Dominion \$1,178,637.

Twice during the week the angel of death has visited our next door neighbor on the right and on the left and putting out the lights of home has taken the cherished child and the venerable father to the better country. We tender to the bereaved friends our deep sympathy and regret that from indisposition we were not permitted to join in the funeral solemnities of Mr Hamilton.

Miss Sterling the founder of the Edinburgh and Leth Children's Aid and Refuge, Hillfoot Farm, Aylesford, lectured on Tuesday evening in the Baptist church Berwick, under the auspices of the W. C. T. U., and a large number took the temperance pledge. From illness we were not present and as no one here has enough interest in the temperance question to furnish a report we can only give this passing notice.

The Baptist church in Berwick has a membership of about five hundred. It has four deacons three of whom were received into its members by letter from other churches and two were also received as deacons at the same time. One came from Tremont and resides in Somerset, another from Stewiacke and lives in Waterville and the third from Blackrock and lives in Pleasant Valley; and the last and senior deacon retired from his official duties, together with the clerk of the church and superintendent of the Sabbath school live in Somerset, but Berwick has the meeting house and the pleasure of looking out for and entertaining strangers.

Died in Berwick, Oct. 1st, aged 72 years, after a brief and painful illness born with much Christian resignation, David Hamilton, Esq. He moved from his home in Wolfville to Berwick a few weeks since where during his illness he was tenderly and assiduously cared for in the home of his son-in-law, T. W. Messenger. Mr Hamilton was born in the north of Ireland and came to Nova Scotia at the age of 16 years. He was universally respected as a neighbor, husband, father and friend and lived a devoted Christian life. At 10 o'clock Tuesday, during the most trying storm of the season, the solemnities of his burial were conducted by Rev Mr McCall assisted by Rev A. S. Tuttle, and his remains interred in the Berwick Cemetery.

The Town Talk.

"Good afternoon, Mrs Runaround, I am so glad to see you, walk right in and spend the afternoon with me. I was thinking of you to-day, and coming events cast their shadows before. How's baby and hubby, all well? I'm so glad to hear it. I was out shopping yesterday and I heard that they were unwell. Do you go shopping any Mrs Runaround? I do so like to go shopping and price goods. I suppose that the clerks get vexed with me, but I flatter them a little and make it all right. Speaking of shopping, have you ever seen B. G. Bishop's new store, No. 990, Main St., Wolfville? I was in his place yesterday. He has just opened the most beautiful lot of Tea Sets, Vases, Fancy Goods, Crockery and Glass I ever saw—and so cheap; and such pretty Lamps, it is worth your while to see them. And a beautiful stock of Tinware! He sells a large Wash Boiler for \$1.25, and a nice Coal Scuttle for 35 cents. His Tinware is dirt cheap, just think of a one-gallon Oil Can for 30 cents! I never heard the boat of it, and such an endless variety! My hubby says that he gets the best satisfaction in Paints and Hardware from Mr Bishop as he is bound to sell cheap and keep good stock only. Yes, we will go in and see his store. Oh, must you be going? Well, call again and bring baby with you. Good-bye. Oh, yes, I shall go and see you soon. Good-bye, and come again. Oh my, yes, I guess I will. Good-bye! Good-bye!"
