GEORGE LORD, begs leave respectfully to intimate to his friends and the public in general, that he has *removed* his practice in the VETERINARY LINE, under the patronage of His Excellency Sir ALEXANDR BRANNERMAN, Knight.

After a successful practice of 27 years—14 in England and 13 in America—in the course of which he has been directly instrumental, through his skill, in saving, for their owners, the lives of many valuable HORSES and COWS; he hopes that, in now soliciting a renewal of PUBLIC PATRONAGE, he may be permitted to say that he considers himself to be as well qualified to prescribe MEDICINES and preform OPERATIONS, in the capacity of a HORSE and COW DOCTOR, as any individual who has ever practised in that line in this Colony; and he, therefore, presumes that he may confidently look forward to a renewal of that patronage which he formerly enjoyed in the Island.

Astonishing efficacy of the Oxygenated Bitters,

IN A CASE OF EIGHTEEN YEARS' STANDING.

From Fitzhenry Homer, Esq., of Boston, Mass.

Boston, September 28, 1848.

DEAR SIR—It is now eighteen years since I was first troubled with the water-brash and derangement of the stomach. I have taken advice of the best Physicians in this city and New York, in London, Paris, Germany, and Italy, followed their prescriptions, and visited the several sulphur and other springs in this country, the watering places of Germany, and elsewhere in Europe, and had found no relief. Since taking the Bitters I have never had a return of the Water-brash, which daily troubled me of late years to a very great degree. My appetite has returned; the extreme flatulence, severe constipation of the bowels, general debility, and sleepless nights undo which I suffered, have entirely left me. Having found so great relief from this most discouraging disorder. I have recommended a trial of your medicine to many of my friends, who are now using it to great advantage. And I cannot refrain from writing to you in its favour and praise, for the good you have bestowed upon the community; and trust that what little is in my scope to offer in extending the circulation of your "Oxygenated Bitters," will be done with grateful pleasure at all times.

Yours very respectfully,

The Wonder of the World! Devines' Compound Pitch Lozenge.

THE Great Remedy is at last discovered, and COUGHS, COLDS, ASTHMA, COSTIVENESS AND CONSUMPTION have lost their terror, and vanish as as if by magic before this Sovereign remedy. Was it ever before known that, *Hopeless cases of Consumption were cured for less than* $5?

Truly, if any individual is to be pitied, and needs sympathy, it is the consumptive,—always expecting to get well, and yet the painful evidence of decay almost "makes the inner soul shrink with the outer flesh."

"Some bloom as roses bloom,
And live as roses live,
A single morning space!"

While others, in more mature life,—by some imprudence and a slight cold neglected,—in the hectic flush, the painful cough,

"The prints of their parting steps appear."

All we ask is this one question:—If you have got mucous membrance, or any other members of the body that are "heire to ills."—are you not interested in this *great* remedy, DEVINES' COMPOUND PITCH LOZENGE.
