I respectfully invite you to call and inspect my large stock, no trouble to show goods and give you quotations at Joseph Walker's, Merchant Tailor, second door above People's Bank, Queen Street, Fredericton, New Brunswick.

Wesley Vanwart, Q. C., proctor.

CROSS CREEK GOLD.—Though the Cross Creek district, in which gold is supposed to exist, has been pretty well taken up, the rush for areas still continues, and the mining district is extending its bounds and claims upon other streams are being taken up with feverish haste. During the past two days the following named have taken up areas:—A. S. Yerxa and others, on Rocky Brook 50 acres; Geo. and Newton Bird, 10 acres; J. T. Starkey and others, Miramichi Lake, 50 acres; C. T. Duffy and S. Price, McLean's, 30 acres; Donald Ross and others, Hovey Brook, 20 acres; J. D. Yerxa and others, Rocky Brook, 50 acres.—Gleaner

COOK'S SURE COUGH CURE.

WILSON'S MAIL.

—A number of our local sportsmen have been, the past few days, on the trail of the wild geese. No reports are as yet received of the bagging of any this year.

THE WILSON'S MAIL.—The Wilson's mail due here Saturday afternoon did not arrive until 11 o'clock Saturday night. This is the latest this mail has been this season. Mr. Queen reports the roads in a terrible state.

DEATH OF OLIVER BORDEN.—Oliver Borden, a highly respected resident of Fredericton and one of the aldermen for Wellington ward was found dead in his bed Wednesday morning. Heart failure was the cause. The deceased had retired Tuesday night in his usual good health, and the end came apparently without pain. The late Mr. Borden was 69 years of age and a native of Kingston. For many years he engaged in a trucking business in the city, and recently opened an agricultural implement business. In the civic elections of March last he was elected at the head of the poll for his ward. A widow, seven sons and one daughter survive.

CROSS CREEK GOLD.—A Bostonian dispatch says: There is a great gold fever in town. Councillor Hinchey came down from Blomidon Friday, and was closeted with W. K. McClellan, Fred Duffy and others for several hours. Report says a company was formed to be known as the Stuart Brook Gold Mining Company. It is also said that the company will erect a stamp mill, the cost to be about \$5,000. Quartz mining will be commenced at once. There were some gold nuggets shown in town. It is a well known fact that they came from Stuart Brook. A large number of additional applications for mining areas in Cross Creek and vicinity have been made at the crown land office recently. A syndicate headed by A. S. Yerxa, has taken out no less than 350, some of which are located on Rocky Brook. O. T. Duffy has taken 30 acres on the Southwest Miramichi, Donald Ross and others 25 acres on Taxis river, and Samuel Cook 25 acres on Ryan's brook.—Fredericton Herald

Rev. J. A. Gordon performed the ceremony at the residence of the bride's parents, Main street, at an early hour yesterday morning. On their return they will reside on Germain street. They were heartily congratulated on the happy event, and will have the best wishes of hosts of friends. Woman's Influence

Has Made

Paine's Celery Compound

The Great Home Medicine.

As a Spring Remedy It Meets

the Wants of Women in Every

Sphere of Life.

When weakly, sick and broken down women are seen to gain health and vigor from day to day from the use of Paine's Celery Compound, no room for doubt is left to the most sceptical individual.

Medical science devised Paine's Celery Compound, a medicine uniformly successful in banishing the troubles that afflict the great majority of women, and honest physicians are always pleased to recommend it.

It is a well known fact that all the women who have recovered health and strength by means of Paine's Celery Compound were induced to use it through the influence and persuasion of other women—sisters, mothers or friends.

In the spring time, when women are weak, overworked, nervous, have tired feelings, dyspepsia, headache, sideache, headache, neuralgia, blood troubles or any of the many nameless ills from which they suffer in silence, Paine's Celery Compound will quickly banish all dangers and sufferings; it will impart that strength, health and vivacity that make women womanly and admired.

Paine's Celery Compound is at present carrying on this joyous transformation work all over Canada, and women, young and old, of all ranks and conditions, bless the memory of Dr. Phelps who conferred such a blessing on their sex.

Dear women of our country, why continue in misery and suffering, when such a friend as Paine's Celery Compound is within such easy reach, and ready to do for you all you so much desire?

Do not be deceived by any of the many nervous, bitter, sarsaparilla or advertised pills; they cannot bestow that pearl of great price—good health. Paine's Celery Compound has given new life to your friends; it will not fail in your need; it is the only true remedy. Bear in mind that Paine's Celery Compound makes sick people well.
