SAVED HER FROM AN OPERATION

So Thinks Mrs. Tracey of Ontario, Regarding Lydia E. Pinkham's Vegetable Compound

Knightsington, Ontario.—"I took Lydia E. Pinkham's Vegetable Compound at the change of life for troubles that women often have at that time. I had not been well for a year and was not really able to do my work. A friend who had taken the Vegetable Compound herself recommended it to me and I think its use saved me from an operation. I highly recommend it to all women who are like mine, and am willing for you to use my testimonial."—Mrs. DANIEL J. TRACEY, Knightsington, Ontario.

Some female troubles may through neglect reach a stage where an operation is necessary. But the more common ailments are not the surgical ones; they are not caused by serious displacements, tumors or growths, although the symptoms may appear the same.

When disturbing symptoms first appear take Lydia E. Pinkham's Vegetable Compound to relieve the present distress and prevent more serious troubles.

Railway News

Montreal.—Like Luter and Abram Mayou, who were arrested at Montreal on August 24th, charged with paying money to C. P. R. conductors to collect fares from parties of passengers, appeared before Judge Ferrait on September 21st and pleaded guilty to the charge, and were sentenced to pay a fine of \$25 each and costs.

These are the first prosecutions made in Canada on this charge, which is covered by an amendment to the Criminal Code under section 412A, making it a criminal offence for giving or offering to give to conductors of any railway valuable consideration for not collecting fares from passengers travelling on trains.

Figures have been issued recently showing the accidents and casualties occurring on the Pacific system of the Southern Pacific during the years 1918-1921. They are sufficiently impressive:

Ran on track in front of train, 1,390; killed, 185; injured, 569. Ran into cars, 2,676; killed 13; injured, 253. Stalled or derailed on track, 327; killed, 7; injured, 41. Skidded into side of train, 89; injured, 17. Ran into crossing gates, 207; injured, 18. Ran into crossing, 29; killed, 2; injured, 15. Miscellaneous, including cattle guard, warning signs, etc.), 46; killed, 1; injured, 8. Total accidents, 2,755; total killed, 208; total injured, 921.

If the danger to people driving automobiles recklessly was confined to such people one might be inclined to view the situation with comparative equanimity, but the reverse is very much the case. Railroads suffer heavily through careless driving.

Ottawa.—Apparently there are some automobile drivers who are wise enough to realize that it is better to run into a ditch than into a railway train. Another case of this kind occurred at Hull.

A resident of Val Tetreau, Hull, ditched an automobile he was driving on the Aylmer road one Saturday night, near the C. P. R. crossing when his brakes failed to function, and a train was coming along. His spill into the ditch probably saved the lives of his passengers, three in number, and his own, while his car was badly crippled.

An auto containing four persons was driving in to Hull from Val Tetreau, at a fair rate of speed. They had reached the Pontiac railroad crossing and were headed for the C. P. R. crossing, some yards ahead, when they were warned by the whistle of an approaching train, of danger ahead. The driver at once applied the brakes, but found they would not stop the car, which was being rapidly carried on to the crossing with the train only a short distance away. Realizing that he could not get over the crossing ahead of the train the driver adopted the only course possible and cutting off the gas he turned the car into the side of the crossing, and in doing so struck a telegraph pole, which snapped in two by the impact, fell, just missing the auto, which turned over on its side, the top just grazing the mail coach of the train as it swept over the crossing. Strange to say, despite the shock of the collision when the car hit the telegraph pole, and its capsizing, none of the occupants were hurt beyond sustaining a few bruises and cuts, and a bad fright.

Harry Matthews, 36 Sherbrooke street, Ottawa, the engineer of the train which was from Brockville and was due at the Central station at 6.50, warned by the fireman, Jack Finn, 41 Spadina avenue, that an accident had occurred, pulled the train up after it had passed over the crossing and helped, with other train officials, to extricate the passengers from the wrecked auto, who were taken in to Hull by a passing autoist. None of the party was in need of medical attention.

KINDLY REMIT YOUR SUBSCRIPTION TO THE ADVOCATE

STRUCK BY OCEAN LIMITED, HAD MIRACULOUS ESCAPE

Quebec, Nov. 2.—A family wagon in which rode Telesphore Declene, of Rimouski, together with his daughters, Helene, sixteen; Bernardette, twelve; and his son Wilfrid, fifteen, was struck by the Ocean Limited going towards Quebec on the Rimouski crossing. It is considered miraculous that all four were not killed in the collision. Helene, the eldest girl was the only one injured.

Sir Henry Thornton Sails On Nov. 22

Sir Henry Thornton, the new president of the Canadian National Railway, will sail on the Olympic on November 22, and will take up his new duties as soon as he arrives in the Dominion. The former general manager of the Great Eastern Railway has been much feted and dined since his return from Canada to wind up his business in England, preparatory to taking over his new duties—individuals and organizations vying with another in giving him a good send-off.

Sir Henry's special engagements are keeping him pleasantly busy before he leaves for the new scene of his labors.

Sir Thos. Lipton Donates Cup For 1923 Schooner Races

Sir Thomas Lipton has agreed to give a cup to the winner of the fishermen's races to be held off this port next August as a feature of Gloucester's 300th anniversary celebration.

A letter to this effect was received today by Fred W. Tibbets, chairman of the committee. The famous yachtsman, who wrote from Chicago, has also informed the committee that he will come here to present the cup in person. The races will be open to all genuine fishing vessels and will be without "fuss or trill" the committee announced.

Moncton To Have Hydro Before Christmas

Good progress is being made on the construction of the hydro-electric transmission line between St. John county and Moncton. Most of the poles have been set in position and the stringing of the wires will be done as rapidly as possible. It was hoped to have the line into Moncton ready by the middle of December.

BEAVER FLOUR
 Essential—if the best results are to be obtained from your bakings—
 Beaver Flour gives to bread a distinctive, delicious, nutlike flavor; and makes pies, cakes and pastry of light, even texture. The only reason why every Canadian housewife is not using Beaver Flour is—all have not yet tried it. Use Beaver Flour and note the difference in your bakings. Sold by your grocer.
