Mrs. Comber, of Harpurhey, died last week, after a long and painful illness.

Mr and Mrs M. R. Counter arrived in Seaforth from Winnipeg on Thursday of last week.

James Clennan, jr., Jennie Kelly and Jennie Kirkby, all of S. S. No. 9, Morris, have gone to Seaforth to attend the Collegiate Institute there.

Mr D. Buchanan, of Hensall, and Mr Robt. Elliot, of Seaforth, have both passed very successful examinations at the Ontario agricultural college.

A. H. N. Jenkins, of the Brussels Budget notoriety, now turns up in St. Catharines, the editor of a Reform journal. Jenkins ran a Conservative paper in Brussels.

E. V. Smith, Grey, has secured a position as teacher at Caledonia, not far from Hamilton. Mr Smith holds a 2nd class certificate and will no doubt give a good account of himself.

A man named O'Laughlin, of McKillop, got slightly injured by falling out of his wagon on Main street, Seaforth, on Wednesday evening of last week, but was sufficiently recovered to go home on Thursday.

Wm Bishop, Grey, has disposed of his 200 acre farm, 10th and 11th cons., to Ferguson Bros., of Teeswater. It is one of the best situated farms in that section. Mr Bishop has not decided where he will locate.

We notice by the Post, of Seattle, Washington Territory, that Mr W. J. Dawson, formerly of Seaforth, has been appointed assistant manager of the Street cable road in that city, having been promoted from the position of gripman, at \$125 per month.

The remains of the late Mrs W. Davis, of Mitchell, were buried at London last week in Woodland Cemetery. The Bishop of Huron, Rev R. Hicks and Rev W. J. Taylor, of Mitchell, conducted the services. The six sons of the deceased lady acted as pallbearers. Rev Canon Davis, of London South, Rev T. R. Davis, of Seaforth, Messrs W. R. and J. E. Davis, of Mitchell; Henry Davis, of Toronto, and George Davis, of Wingham, were among those present.

A well-to-do farmer living near Wingham, named Campbell Hanna, threw himself into the Maitland river running through his farm one day last week, and was drowned. Three of his neighbors witnessed the act and rushed to assist him, but the river being swollen they were unable to do anything. A strange coincidence in connection with this is that the previous owner of Hanna's farm, named McCourt, drowned himself in the same manner some years ago. No cause is known for the act.

Early on Friday morning, the 10th inst., the messenger Death came to Wm Stewart, Grey, and summoned him away. He had been ill for about a week previous with what appeared to be rheumatic fever but it was not thought the end was so near. Mr Stewart was well known throughout the section, having travelled a good part of Grey township with a peddling rig. He had one of his limbs injured when a boy and was consequently not as active as he otherwise would have been, but he was a steady working, honest man who paid his way and did the square thing. The deceased was in his 45th year. The funeral took place on Saturday afternoon, the interment being made in the Brussels cemetery.

It is with feelings of deep regret that we record the death of Mr John Hood, third son of the late Joseph Hood, of the 2nd concession of Stanley, which occurred on Monday of last week under particularly sad circumstances. About a week previously Mr Hood became deranged in his mind and was at times so violent that his friends were considering the propriety of having him sent to the asylum that he might receive better medical treatment, when death stepped in and relieved him of all his sufferings. No cause can be assigned for his sudden mental aberration. He was about 40 years of age and was greatly respected by all who knew him. The remains were interred in Baird's cemetery and the funeral was attended by a very large number of sympathizing friends.

O P Bishop and A J Shiel, Grey, have returned to the University. Mrs Robt. Edie, Wingham, has returned home from Parkdale, where she had been spending Christmas and New Year's, and at the same time attended the marriage of her eldest daughter, Miss Eliza Edie, to Dr Edie, of Toronto.

Above the wicket in the Brussels P.O. is the very significant notice "Lock your iron stamps." In this connection we would add it would not be a very difficult matter to lick all the muckage off the stamps printed in these days.

Miss Addie Vanstone, Brussels, now residing in Harrison, is confined to the house with a gripe in a mild form. A doctor has been in daily attendance with beneficial results, and we are pleased to hear of Miss Addie's convalescence.

Robert Burns handed us in a picture of what is called a Jumbo four horse load of saw logs. It consisted of 21 logs which made 22,291 feet of lumber. The load was hauled five miles in Rib Lake, Wisconsin, U.S. Mr. Burns' son lives out in that locality.—Brussels Post.

Mr A L Gibson, Wroxeter, has rented his flouring mills to Howson Bros., of Teeswater, who take possession shortly. Messrs Howson are well and favorably known, and will command a large trade. It is understood that the unsatisfactory state of Mr Gibson's health led to the change.

One of the teams used in driving the creamery delegates around Seaforth ran away when near Amen's cooper shop, and Mr Morgan, of Ottawa, jumped from the rig and fell upon his head, injuring himself severely. He was much improved when he left for his home.

On Wednesday morning of last week, Emma M., fourth daughter of Thomas Roe, of McKillop, was called to her eternal home. The deceased contracted a cold about three years ago which resulted in consumption, but she was able to get about until about a month previous to her death.

GODERICH TOWNSHIP.

From our own correspondent. COUNCIL MEETING.—Council met today, Jan. 20th, at Holmesville, according to statute. Members all present. Minutes having been read and passed. Cost of municipal election was passed. Moved, amount \$62.50. Moved by John Beacom, seconded by Thos Churchill, that the salaries of the township officers be the same as last year.—Carried. Board of health was appointed consisting of Messrs Cox, Beacom, Elliott and Churchill, with clerk as secretary. Dr J. B. Whitley continued as medical health officer. The clerk was ordered to send samples and ask for tenders from the four local papers for township printing. The council appointed Jas A Ford auditor, the reeve appointed Jas R. Holmes second auditor. The council appointed themselves road commissioners for the several sub-divisions, viz: J. H. Elliott, No 1; Samuel Sturdy, No 2; John C. S., No 3; John Beacom, Nos 4 and 6; Thos Churchill, No 5. Moved by Samuel Sturdy, seconded by Thos Churchill, that Lester Scott be assessor. Moved in amendment by J. Beacom, seconded by J. H. Elliott, that Geo McKee be assessor. Moved by Samuel Sturdy, seconded by Jas H. Elliott, that Samuel Johnston be collector. Moved in amendment by John Beacom, seconded by Thos Churchill, that Wm Cantelon be collector. Reeve cast his vote in favor of motion. The following accounts were paid, viz:—Mrs. Bray, 3 months' board, \$18; rent of P.O. box for use of Clerk, \$1.25; James Fair, Clinton, lumber, \$18.75; Mrs. McKee, \$15; Wm. Collins, \$18.75; Mrs. C. Whitley, gravel, \$10.86; A. Halsted, work near Holmesville bridge, \$2.50; funeral expenses of James Fitzgerald, \$17.50; \$20 additional for balance of board; J. Trowartha, posting up treasurer's reports, \$2. Mr. Herbert Eford was heard by the Council in favor of a contemplated creamery and probable cheese factory (site undecided). Public opinion is rapidly gaining ground in favor of the proposed industries, as farmers say they may as well stop raising grain beyond their own immediate wants when they receive such a pitiful return for their labor. Moved by Thos Churchill, seconded by James H. Elliott, that any person erecting a creamery in this township, the building and all necessary apparatus shall be exempt from taxation so long as it is kept in operation either as a creamery or cheese factory. Carried. Path-masters, fence-viewers and pound-keepers were appointed; these will be specially notified. Council adjourned to meet again on the first Monday in March.

A Readable Letter from a Former Resident of Goderich.

The following letter, which we are enabled to publish through the courtesy of Mr Thos Kydd, is from a former resident of the town, who has returned home to Goderich as a resident of the West. Some of the statements are interesting, especially about fruits, which are enough to make one's mouth water: Allow me to wish you a happy Christmas and a bright New Year.

Vancouver is still progressing and so are most of the people who have left the city since made great strides during the past season, everything and everybody is on the move. Frame buildings have been torn down and replaced by brick and stone ones. The country is keeping pace with the city, and in every direction one may see houses springing up, and many of them are of a fine class.
