FRIDAY AFTERNOON, JUNE 17th. After the reading and passing of the minutes of the last meetings the Rev. Canon Dunfield proposed that a Committee should be formed to take into consideration the personnel and standing of present committees. He moved that his Lordship should be asked to appoint 3 clergy and 2 laymen, to form such a committee, and to recommend members of the Synod to serve on committees during the biennial period. This was agreed to, and His Lordship will nominate members at a later stage.
