

Swamped by a Mighty Jamb of Buyers!

The tremendous Jamb of Buyers all day Saturday and especially Saturday night at the Selling out of the MANUFACTURERS SURPLUS STOCK so badly swamped us we were utterly unable to do justice to the vast mass of people in distributing the Grand Bargains among them as thoroughly as we made preparations to do. We did the very best we could--the crowd was too big for us to handle--Some didn't get their full share--A large number we were unable to serve, and a great many more couldn't get inside the doors. The crowd was Tremendous--we were swamped, and we regret exceedingly that all could not be served Saturday at this Banquet of Bargains. Now we ask you all to please come again To-morrow or next day, or any time this week, as we are now thoroughly prepared to give a greatly improved service. The Selling Force has been increased. The Bargains have been arranged for a quicker and more attentive service, for your better selections and greatly improved conveniences for your comfort while buying.
