THE BIG LEAGUE SERIES.

By Bert L. Standish, 75c. ea. Here they are! Just what you've been looking for. Baseball and Romance combined, the most interesting stories ever written.

The author managed a league team a number of years ago and is thoroughly familiar with the doings of baseball players on and off the field. Father and son will find equal delight in reading these magnificent stories.

"Any Boy with Plenty of Grit," "Baseball at its Finest," and "The Girl in the Case"—these are the elements which compose the most successful juvenile fiction ever written. You don't have to be a fan to enjoy these books; all you need to be is really human and alive, with plenty of red blood.

Dear Sirs,—I feel it my duty to praise "MATCH-LESS" PAINT as I have found it. I have been using it for a year or so, and have found it most satisfactory. I painted a Bungalow last August and it looks as fresh to-day as it did then, and that was painted right on the new wood.
