Ladies' Coats, BLAIR'S

FOR FALL AND WINTER NOW SHOWING AT

**Our Values are Absolutely the
Best Obtainable.**

This year's style in Coats is distinctive. The Coat with the flare (or wide) skirt is the mode. Coats this year are either without belts or come with a half belt effect. This is quite different from last season's Military Coat, which had a belt all round and was much tighter in the skirt.

Despite increasing cost of Coats, through rising prices of materials, and the fashions demanding more cloth in each, we are enabled to offer you the **NEWEST GOODS** at the **LOWEST PRICES.** This we are enabled to do by our early contracts and also by our moderate margin of profit, which has built us up such a successful coat business, as it is well known our values are the best. Our prices are:—

\$4 90, 5.90, 6.90, 7.90, 9.50 and upwards.

We are also busy opening a full selection of

**Misses', Children's and
Infants' COATS,**
which you can depend will be the best values procurable.
