

## Dept. of Public Works.

### PUBLIC NOTICE.

The Department has found it necessary to effect a change in the matter of paydays. In future pay-days will be observed as follows:—

Mechanics, Labourers and other workmen will be paid on Saturday of each week. Bills or accounts for services rendered or goods supplied will be paid fortnightly, on the FIRST AND THIRD SATURDAY of each month, excepting petty bills for vegetables, firewood and forage, etc., purchased from residents of outlying settlements which will be paid every SATURDAY.

All bills or accounts properly certified and on hand in the Department for approval and audit on the preceding TUESDAY will be available for collection on the following SATURDAY.

The above also refers to allocations in connection with Roads and Special Grants.

In the event of any SATURDAY being a whole holiday, bills must be in the Department on the preceding MONDAY and payment will be available on FRIDAY.

All those concerned will please govern themselves accordingly.

## Schooner Kassaga Arrives at Aquaforte

IN BATTERED CONDITION.

The schr. Kassaga, Capt. Sidney Hill, which left Wesleyville on Tuesday last, bound to this port, arrived at Aquaforte last evening, badly battered by storm. The vessel has fourteen souls on board and much anxiety for their safety was expressed yesterday. The glad tidings that she had arrived safely at Aquaforte was contained in the following message from Capt. Hill, to the owner, Capt. Ed. Bishop:—"Made Cape Pine this morning; boat split in two by heavy sea; lost nothing on deck; head canvas blown partly away; all well."

The Kassaga has 1,000 qtls. of codfish on board and 16 casks of oil on deck. Included in those on board the vessel are Mrs. Hill, wife of the captain and their two children, Mrs. Edgar Hann and Mrs. Geo. Mullett. They will proceed to the city by train.

## Damaged Ellerdale Reaches Halifax

Grain-Laden Ship Which Struck Off Newfoundland To Enter Dry Dock.

HALIFAX, Nov. 3.—The British freighter Ellerdale, Capt. Smith, which went ashore some time ago near St. Anthony, on the west coast of Newfoundland, sustaining more or less damage to her bottom, and which was later released from the rocks by the Quebec Salvage and Wrecking Company's tug, Lord Strathcona, limped into port here yesterday morning, and was assisted into dock at Pier 25, South Terminal, where she is now discharging her cargo of grain. She is due to enter dry dock after discharging operations will have been completed. The underwriters and Lloyd's representative will then commence a survey of the vessel to determine the exact amount of the damage. It is expected that the steamer will be here for a considerable time for the purpose of having repairs effected.

When the Ellerdale went ashore she was bound to a British port from Montreal with a full cargo of grain. Word was sent to Quebec of the vessel's plight, and the Lord Strathcona was rushed to the scene of the grounding. After some time had elapsed the vessel was refloated. The wrecking tug accompanied the damaged freighter to Halifax.

## Wedding Bells

DAWE—KEARSEY.

A very pretty wedding took place on Nov. 1st, at the Rosary Church, Portugal Cove, when Mr. William Kearsay led to the altar Miss Alice Dawe of Flatrock. The ceremony was performed by Rev. Fr. Gough, P.P. The bride was handsomely attired in a dress of tan crepe de chene and hat to match, and carried a bouquet of white roses and maiden hair ferns, and was attended by the groom's sister, Miss Josephine Kearsay, who looked charming in a dress of navy blue crepe de chene and hat to match. The groom was supported by the bride's brother, Mr. Frank Dawe. After the ceremony was performed the happy couple motored to the home of the groom's parents, Windsor Lake, where supper was served to over 50 guests, after which a very enjoyable time was spent by all. The presents received were numerous and costly, amongst them being a handsome one from Mr. and Mrs. W. E. Beams. The many friends of Mr. and Mrs. Kearsay join in wishing them much happiness.—COM.
