From the weekly report of the Aylmer Cemetery Improvement Fund in this issue, we note with satisfaction that economic conditions are not preventing those who have loved ones laid to rest in the City of the Dead from making their annual contributions. The fund is well up to the mark of this date last year, and those in charge are hoping that the list may be completed before the season opens for work on the plots.

Death on Monday, March 27th, relieved William E. Hughes from his sufferings. Deceased, who was in his sixty-first year, has been seriously ill for the past two years, and for months his family and friends have felt he could not recover. The late Mr. Hughes was born in Malahide, and with the exception of a couple of years spent in Buffalo, had been a lifelong resident of this township. Some three years ago he built himself a fine home on John street south in this town, later selling it to Mr. Almas. He was a member of the Sons of England Lodge, and an adherent of Trinity Church. Besides his widow, he is survived by one daughter, Mrs. Carl Clutton, of Aylmer, and five brothers, Dr. Charles, Armada, Mich.; Ambrose, Michigan; Harvey, Buffalo; Acelius and John, St. Thomas; and Judson, of Windsor. The funeral took place yesterday, the 29th inst., at 2 o'clock, from the residence of his father-in-law, William Sears, and interment was made in the Aylmer cemetery.

Mrs. Charles Emmett is enjoying a visit from her mother, Mrs. Marlow, of Mayville, Mich.

Mr. Thomas Monkhouse, of Toronto, is the guest of Mr. and Mrs. T. L. Barnecott.

Mr. H. Sandy, of Pontypool, spent a few days in town, the guest of Mr. and Mrs. Thomas Barnecott, John St.

Mr. and Mrs. W. J. Mann entertained the members of the Adult Bible Class of Knox Church, and the teachers and officers of the Sunday School, at their spacious home, Talbot Street West, on Tuesday evening.

A roller skating race of much interest will be skated at the rink on Saturday night next. Morley Cattel, the popular young Aylmer champion, who has never yet been beaten, will skate a matched race with George Crispin, champion of Canada. Cattel is a general favorite, and his many friends look for him to win.

The ladies of Port Bruce Patriotic and Red Cross Society are to be highly commended on the way they exerted themselves in the good cause. By their recent box social held at the King George Pavilion, they made the handsome sum of \$45, which, added to what they already have turned in, makes a total of \$66.16 to their credit. While few in number, they put to shame larger communities who have greater opportunities to help in this worthy cause if they would only put more vim in their activities.

A pretty wedding was quietly solemnized at the home of Mrs. Peter Richardson, John St. north, Aylmer, on the evening of Saturday, March 25th, when her niece, Miss Olive Amelia Meston, daughter of the late Wm. N. Meston, Tillsonburg, became the wife of Dr. Thomas E. Early, of the same place. Rev. A. E. M. Thompson, pastor of the Methodist Church, officiated. The bride, who was unattended, looked charming in a travelling suit of navy blue, with hat to match, and carrying a bouquet of bridal roses. There were many beautiful flowers, and the table decorations were pink and white. The presents were numerous and beautiful, including a number of cheques. Mr. and Mrs. Early left on the evening train for a short trip West, and on their return will reside in Tillsonburg.

Charles Emmett is again able to be down town to his business, after his severe attack of appendicitis.

D. M. Stirling, manager of the Bell Telephone Co., St. Thomas, paid the local branch a visit last Friday.

Mr. Caleb Burdick has so far recovered from his injuries to his foot that he is able to be around again, and is booking many orders for fruit trees.

Warden G. F. Pineo used his perogative on Monday and appointed Inspector Taylor, of St. Thomas, and West Elgin public schools, to temporarily fill the vacancy in East Elgin, caused by the death of Inspector Atkin. Mr. Taylor will now have charge of all Elgin schools, until the County council meets again next June.

Mr. Chas. May had a birthday last week, and a number of his friends assembled in the evening and enjoyed a right royal time. Music, cards, and conversation put in a pleasant evening, supplemented by a generous lunch. At a late hour, the company adjourned, after passing a vote of thanks to Mrs. Knight, Mr. May's housekeeper, for the good evening provided, and wishing Charlie many happy returns of the day.

Michigan has been experiencing big floods during the past week. We are fortunate in Ontario, that the big deposit of snow has disappeared so gradually, and with very little damage to property. Port Stanley has had a small flood in the main business portion of the village. Cellars were flooded and the traction cars could not run down into the town proper. But very little damage was done. The ice soon was forced out of the mouth of the harbor, and the flood quickly subsided. The flats along the Catfish Creek here are flooded as usual, but we have seen the water higher even in mid-summer.

A very pretty home wedding was solemnized on Wednesday, March 22nd, at 12 o'clock noon, at the home of Mr. and Mrs. W. B. Smith, South Middleton. The pleasing event was the marriage of their third eldest daughter, Martha L., to J. Wesley Crawford, of Malahide, son of Mr. and Mrs. Alex Crawford, of Aylmer. At precisely twelve o'clock, to the strains of Mendelssohn's Wedding March, played by Miss Marguerite Smith, sister of the bride, the bridal couple, unattended, entered the drawing-room, and took their places under an arch of evergreens and Canadian flags, from which was suspended, by white ribbon, a large good-luck horse shoe. The beautiful and solemn ceremony was performed by the Rev. W. A. Johnson, Baptist minister of Langton. The bride looked very charming in a gown of cream voile, trimmed with seed pearls, the traditional bridal veil and bud roses, and carried a beautiful bouquet of white carnations. After the ceremony and the signing of the register, the happy couple and guests repaired to the dining-room, and partook of a sumptuous repast, served by young lady friends of the bride. The groom's gift to the bride was a beautiful gold watch and fob, and to Miss Marguerite Smith a gold signet ring. The many beautiful and costly gifts testified to the general popularity of the young couple. The happy couple left on their wedding trip, amid showers of rice, confetti, and good wishes, for Tillsonburg, to take No. 37 M.C.R. for St. Thomas and Blenheim and other points west. The guests numbered about fifty, a number being present from London, Dorchester, Calton, Lyons, Tain, Tillsonburg, Simcoe, and Glen Meyer. Mr. and Mrs. Crawford, on their return, will reside on the farm known as the John Abel Farm, Talbot St., one and a half miles east of Summer's Corner, which Mr. Crawford has recently purchased.
