Hollowar's OINTMENT AND PILLS-These potent remedies constitute a materia medica in themselves, for there is no internal or external disorder controllable by medicine for which the one or the other of them is not a positive remedy—eruptions, tumors, scrofula, scurvy, cancer, asthma, rheumatism, gout, and dropsy entirely subside and disappear under the action of these joint medicines; and in cases of indigestion, sick headache, bile, liver complaints, debility, and other disorders originating in the internal organs, neadacne, one, liver companies, decinty, and other disorders originating in the internal organs, the Pills produce the most astouishing results imaginable. The student of Nature knows how simple are her ways; if one preparation can throw out all the impurities of the blood, disease is convenient because it adopted quered and art is triumphant, because it adopted the simplicity of Nature.

HOLLOWAY'S

Nervous Disorders.

Whatis more fearful than a breaking down of the nervous system? To be excitable or nervous in a small degree is most distressing, for where can a remedy be found? Here is one:—Drink but little wine, beer, or spirits, or far better, abstain from them altogether; do not take coffee—weak tea is preferable; get all the fresh air you can; take three or four of the Fills every night; eat plenty of solide, and avoid the use of slops. If these golden rules are followed, you will be happy in mind, strong in body, and forget you have any nerves.

Mothers and Daughters If there is one thing more than another forwhich hese Pills are so tamous, it is their purifying properties, especially their power of cleansing the blood from all impurities, and removing dangerous, and enewing suspended secretions. Universally adopted as the one grand remedy for female complaints these Pills never fail, never weaken the system, and always bring about what is required.

Disorders of the Kidneye

Disorders of the Kidneys.

In all diseases affecting these organs, whether hey secrete too much or too little water; or whether they be afflicted with stone or gravel, or with aches and pains settled in the loins over the region of the kidneys, these Pills should be taken according to the printed directions, and the Ontment should be well rubbed into the small of the back at bed time. This treatment will give almost immediate relief after all other means have failed. Stomach out of Order.

No medicine will so effectually improve the tone of the stomach as these Pills; they remove all sadity, cocasiened either by intemperance or improper diet. They reach the liver, and reduce it to a healthy action; they are wonderfully efficacious in cases of spasm—in fact they never fail in curing all disorders of the liver and stomach. Bronchitis, Diptheria, Coughs and Colds

No diseases are more frequent, few more dangerous, than affections of the respiratory organs. The first symptoms of disordered action may always be removed by Holloway's renowned Pills. They quickly remedy any temporary stagnation of the blood, relieve the overgorged veins, moderate the hurried breathing, and enable the windpipe and lungs to perform their functions with ease and regularity. These Pills, by their purifying powers, cleanse the blood from all impurities and thus fortify the system against consumption, asthma, and other pulmonary complaints. Debilitated Constitutions

In cases of debility, languor, and nervoueness generated by excess of any kind, whether mental physical, the effect of these Fills is in the highest degree bracing, renovating and restorative. They drive from the system the morbid cause of diseases be-establish the digestion, regulate all the secretions, grace the nervous system, raise the patient's spirits, and bring back the frame to its pristine health and vror.

Billiousness, Loss of Appetite, Headache, and Lowness of Spirits: These Pills effect a truly wonderful change in de-bilitated constitutions, as they create a healthy ap petite, correct indigestion, remove excess of bile, and overcome giddiness, headache and palpitation of the heart.
