

ALL THE WAY FROM RUSSIA

The following is one of the hundreds of enquiries received in connection with the special "Booster Club" offer of The Colonist in the interest of a revived campaign of publicity.

Warsaw, Russia, 20th 1905
Dear Sirs
I have a honour to pray you
to be so kind as to send me a copy
of special Edition of The Victoria
Daily Colonist, entitled: "See
The Island First" containing
the fullest information for
intending settlers and describing
all about Farming, Mining,
Lumbering etc. in the Van-
couver Island.
Yours very truly
A. Nechaev

ONLY TWO MORE WEEKS

The Special Immigration Promotion Offer of THE SEMI-WEEKLY or SUNDAY COLONIST for 55 cents for one year to any foreign address terminates with the present month.

Already hundreds of names have been added to the thousands living outside the Province who regularly read of Victoria through the medium of The Colonist, and before the end of the month hundreds more will be added.

Constant dropping wears away the stone, and 104 consecutive issues of a ten and twelve-page paper reaching any likely investor or settler in one year must have a decided influence in attracting capital to Victoria and Vancouver Island.

THE OUTLAY IS SMALL

THE POSSIBLE RESULTS INCALCULABLE

Let the newspaper tell your distant friends the story of Victoria's attractions and the Island's capabilities during the next twelve months. The seeker after news of distant fields looks first to the local newspapers, and the more the stranger learns of the City and Island, the more certain is the one or the other of another settler.
