## Baby's Face Frozen

A sad case was reported here during the recent cold spell. A family living in one of the numerous shacks which are still required to house some of our people retired early one night without making an efficient fire and in the morning it was found that the baby of the family had its face severely frostbitten during the night.

## WHAT FOLLOWS A CUT

A Magistrate's Wonderful Experience With Zam-Buk.

Mr. J. E. Arsenault, a Justice of the Peace, and station master at Wellington, on the Prince Edward Island Ry., has had a wonderful proof of the healing power of Zam-Buk. He says: "Four years ago, I had an accident. I slipped in the station and fell on a freight truck, sustaining a bad cut on the front of my leg. I thought this would heal, but instead of doing so it developed into a bad ulcer and later into a form of eczema which spread very rapidly and also started on the other leg. Both legs became so swollen and sore that I could only go about my work by having them bandaged. My doctor said I must stop work and lay up."

"After six months of this trouble I consulted another doctor, but with no better result. I tried all the salves, liniments and lotions I heard of, but instead of getting better I got worse. "This was my condition when I got my first box of Zam-Buk. Greatly to my delight that first box gave me relief. I continued to apply it to the sores, and day by day they got better. I could see that at last I had got hold of something which would cure me, and in the end it did."

"It is now over a year since Zam-Buk worked a cure in my case, and there has been no return of the eczema or any trace of it."

Such is the nature of the great cures which Zam-Buk is daily effecting. Purely herbal in composition, this great balm is a sure cure for all skin diseases, cold sores, chapped hands, frost bite, ulcers, blood-poisoning, varicose sores, piles, scalp sores, ringworm, inflamed patches, cuts, burns and bruises. All druggists and stores sell at 50c. box, or post free from Zam-Buk Co., Toronto, upon receipt of price.

Just received a nice assortment of white and colored all-over and insertion at M. P. Moore's.

## CAMPBELLTON SAYS FAREWELL TO THE M'LELLAN CUP

Beaten by Truro In Close Game By 8 shots

Truro curlers came and saw and "snuffed" the cup. We entertained three rinks of the Nova Scotians who played one rink on Wednesday afternoon and two rinks in the evening. After successfully defending the cup against Moncton and Amherst we fell down and received a nasty jar and Truro have taken away a lovely one. The games were fought out in a good spirit with O'Keefe having all the strings and arrows of an outrageous fortune, losing end after end by the proverbial hair breadth. The biggest crowd so far turned out to watch the game, and it was with very mixed feelings we viewed the final results.

## HOCKEY LEAGUE

The game on Wednesday evening between the C. F. D. and Victorias was a strenuous affair. The final score was 4 to 3 in favour of Victorias although some of the spectators were of opinion that time was up before the last goal was scored.

## THE GAME

Right from the face off, the Firemen rushed matters and kept the puck in dangerous proximity to the Vic's goal but the defence prevailed. Pulling themselves together the Vic's essayed to attack and the game saw sawed back and forth. In a burst away Keith scored for Vic's in 8 minutes.

The Firemen were none daunted and kept their lighter opponents hopping to some tune and only got what they deserved when Billy Ferguson slammed in their first goal in 15 minutes. Still keeping up the pressure, the Firemen again scored in 2 minutes by Wallace. Not to be out done in the scoring line Vic's came away with a rush and Wallace scored in 1 minute. From the face off Vic's had the advantage and eluding the defence Keith scored again in 2 minutes.

Even play followed and the game rang with Vic's leading 3 to 2

Jane was resumed in the second half with the same fast play both teams being pretty evenly matched. The Firemen were having slightly the better of the exchanges in this half and some good fast hockey was seen. Taking a tight hold of the game the Firemen rushed the Vic's off their feet and Ferguson slipped on the trying goal; 3-3

Now came the pull and both teams went at it hammer and tongs. The Firemen were now showing some pretty combined play and were doing well against the lighter Vics. On the call of time Vics scored their fourth goal by Delaney.
