for the Badies.

(Boston Herald.) "Given any bright, presentable girl, is gained by remembering that it is and with proper coaching she can be man's devoir to begin conversation, and made a belle," said a mottled faced in whatever tone he speaks to pitch club man, the other day, to a party of

made a belle," said a mottled-face delth man, the other day, to a party of gorgeously dressed loungers in the bay-window of an upstown club Somebody had just expressed mild surprise at the phenomenas success of one of this season's debutantes whose engagement to a visiting seion of English aristocracy has recently been unofficially announced.

Beauty won't do it, nor money either, though the last is, of course all ways marriageable. The combinations of these two will go a long ways toward it—that is to say, the possessor will always be sought after. But to be the Thing, you know to make a hit—that's quite another matter. The unfolding of a Bud," continued the speaker enthusiationly, "so that she will not only become a rare flower, but fragrant, penetrating and dominant, is a deling and the family penetrating and dominant, is a deling and the family here were all the state of the responding to the set to delightful scence. I'm a processor will y, there's my niece, you know, who's taken so immensely. Nobody gare called her beautiful, and the family arequired to the theory of the cate but delightful scence. Prove the cate but delightful scence, Prove the prove the provent delivery the provent delive

know. But I had ber in hand just before she came out, and you see the result. My experience with this-subject leads me to formulate certain fundamental principles of feminine at-tractiveness. In the first place a girl tractiveness. In the first place a girl must size herself up—must know her strong points and her weak places. If she isn't beautiful to start with, her first business is to produce the result of beauty. To begin with the mouth—easily the most expressive feature of a woman's face. Yet few women have could show just as well. woman's face. Yet few women have
Cupid's bows or rosebuds. Suppose it
is small, full-lipped and blunt cornered, with bad teeth. A grin makes it
hideous, and such a mouth should

a mould show just as well.

There's only one contingency likely
to spoil your belle,' said I after the
applause died out.

And tdat?

She might fall in love.'

THOR. never laugh. It spreads into unmeans ing platitudes the blunt corners and makes the eyes swollen by crinkling Pigs are scarce and in demand, and the cheeks, always plump in such a even if they were not, we do not want to lose them. If we lose a calf we can use the milk of the cow, but a dead use the milk of the cow, but a dead lamb or a dead pig is a dead lose pouts can be shy, suggestive, arch and when pigs come in cold weather, a when pigs come in cold weather, a

blacket would look only out of the tops of the should look only out of the tops of the eyes. Note this, gentlemen. How earnest the glance with the bead bent downward! how silly the eyes with the chin salient! The glance over the tops so full of soul, of sincerity, of consult make trustfulness! When moved indolently with a rare, burning, yet half sleepy appeal through dusky lids they can be simply irresistible. Suppose, the top of the head of the more trustfulness! When moved indolently with a rare, burning, yet half sleepy appeal through dusky lids they can be simply irresistible. Suppose, the top of the head of the water, may be one of small part of the country. And the pen, and to let you put the blanket on head and the pen, and to let you put the blanket on head and the pen, and to let you put the blanket on head and the pen, and to let you put the blanket on head and the pen, and to let you put the blanket on head and the pen, and to let you put the blanket on head and the pen, and to le
