## BANQUET FOR R. C. WHITEWAY

Popular Citizen Tendered Farewell Banquet by Rothsay Lodge. Departure Regretted

Mr. Ronald C. Whiteway, who has for over ten years been manager and controller of the Annapolis Valley Cider Co., now merged with the Graves' interests, was tendered a farewell banquet on Monday evening at Riverside Inn by the officers and members of Rothsay Lodge, A. F. & A. M.

The banquet was largely attended by the Masons of the town and a choice menu was provided by Mr. O. C. Jones, proprietor of the Riverside Inn.

There was no formal toast list but those present uttered in brief speeches, testifying to the general esteem in which Mr. Whiteway was held in the community and expressing regret at losing him both as a citizen and as a Mason.

On behalf of the Lodge, Bro. Fred R. Fay, P. G. W., presented Mr. Whiteway with a Past Masters' Jewel and expressed the general hope that he would return later and become once more a resident of Bridgetown. Mr. Whiteway was visibly affected by the genuine and spontaneous tributes of esteem expressed by those present and made a fitting and feeling reply. One thing particularly he was pleased to say that during sixteen years residence in Bridgetown he had had no angry word with anyone nor anyone with him.

Among the tributes to Mr. Whiteway was one from Mr. Francis Graves who had found him a gentleman in the business as square a competitor as he was a Mason.

Mr. Whiteway expressed the hope that he would return to Bridgetown as a resident. He leaves on Thursday for Montreal to take passage for England where he will look after business interests for his father. He goes accompanied by the best wishes of all who had the honor of his acquaintance.

## DR. JOST GOES TO UNIQUE REUNION

He Meets With Classmates of '62. Senator Cole, of Class '47, Will be Present

The venerable Rev. C. Jost, D.D., accompanied by Mrs. Jost, leaves today for Middletown, Connecticut, to attend the closing exercises of the Wesleyan University in that town. A unique and unusual feature will be a reunion of the members of the graduating class of 1862 of which Dr. Jost is still living.

The reunion and exercises in connection with it have been kindly arranged through the kindness and generosity of Mr. J. E. Andrews, Head of the Arlington Chemical Company, of Yonkers, New York.

A feature still more unique than the one referred to above will be the presence at the closing exercises of Senator Cole, a member of the class of 1847, who is now over one hundred years old. He is the only man now living who stood on the platform with President Lincoln when the latter delivered his celebrated Gettysburg speech which closed with the notable words "A Government of the people, for the people and by the people". The hundreds of friends of Dr. and Mrs. Jost wish them what they will undoubtedly have on this unique and memorable occasion, a most pleasant and enjoyable visit.

Mrs. Milledge Stevenson, of Clarence, left this week on a trip to Vancouver.

Harry McKenzie handled the game in his invariably fair and impartial manner. Davidson, of Berwick, was base umpire.

## BERWICK LOSES TO BRIDGETOWN

Local Ball Team Has Played 21 Innings Without Being Scored Against

Well, twenty-one innings played without a score against them is not a bad record for any baseball team and that is just where Bridgetown stood at the close of the game with Berwick here on Wednesday afternoon. Twelve innings of scoreless ball with Middleton the previous week and the nine on Wednesday with Berwick makes up this total.

Berwick team came here with an excellent reputation and have been the subject of many well deserved boasts in the Valley press and partly from the fact that Wigmore had been secured as their main heater. Mr. Wigmore pitched good ball particularly during the first half of the game. During the last few innings he weakened, while Jack Malcolm got better the longer he went. Good heater as he undoubtedly is, there is one thing which Mr. Wigmore should understand, and that is this—that it is no part of a pitcher's duty to leave the box and engage in disputing the decisions of an umpire, particularly an umpire whose decisions are so fair and generally accepted as those of Mr. Harry McKenzie. Mr. Joe Howe Cox was the umpire whom Berwick desired but he was not acceptable to the locals on the ground of insufficient knowledge of the fine points of the game. He did not appear the least pert out at the incident, though some of the visiting team did. The only advice, if we might tender it to the Berwick team, is this—Keep cool, and play the game. You have a good team, but the cool head wins. The public patronizes games as exhibitions of sport and skill with the very lowest minimum of yap. Chief of Police Boyd Bishop escorted behind the ropes Manager Thomas of the Berwick team. Mr. Thomas delayed play by disputing the umpire.

With these few preliminaries which may not be pleasant reading to all, but are well-meant and in the interests of clean sport, we pass on to the game. It was essentially a splendid pitchers' contest, and outside a few features, including those mentioned above, was a source of much interest to the four hundred or more fans who witnessed it. Malcolm struck out fifteen men, Wigmore 11. There were four hits off Malcolm and five off Wigmore, and during the first three innings, while no runs were scored, the advantage of play was rather with Berwick, as they got two men to third while Bridgetown got only one man past first. Roy Donaghy in the fourth, had the honor of scoring the first run of the season for Bridgetown, getting base on balls, he stole second and third and came home on an error. Austin, while still suffering from injuries to his leg received in the previous game, caught splendidly. The second tally was made in the eighth, when Grimshaw drove a nice two bagger to right garden went to third on a sacrifice by R. Donaghy and come home on a hit by Austin. In the ninth, with two men down, Bellevue made a two base hit for Berwick, but it came too late, for Thomas following fanned. Scriven played his usual star game and had a base hit for once at bat. Jackson was, for this game, replaced by Kennedy, as the former has not yet completed his thirty days residence. O'Hearn, for Berwick, batted well the first couple of times up, with a two bagger in the first innings and a base hit in the fourth, thereafter Malcolm made him fan.

D. W. Dixon, in the presence of a few of the immediate friends and relatives. In the evening a miscellaneous shower was given them by their friends and they were also serenaded by a number of the boys. Refreshments were served to all and a very pleasant evening was spent.

## LOCAL JUNIORS BEAT ANNAPOLIS

Score 2 to 1 in a Splendidly Played Game—Pitchers Well Supported

Bridgetown Junior baseball team journeyed to Annapolis on Thursday evening and added another victory to their list getting the long end of a 2 to 1 score.

The game was attended by about three hundred fans including a number from here, and the style of play delighted all present. The small score and very small error list only one for each team tells the public that the boys played real baseball.

There was no scoring till the third inning, when Bridgetown made some very timely hits. Walter Dechman drove a nice one out to right field for a two bagger. J. Roberts got first on a bunt. Dechman going to third. Hoyt hit a two bagger and brought Dechman and Roberts home.

Annapolis got their score in the fifth. Ritchie their heaver got a walk and stole to second and third, coming home on a sacrifice hit by Goldsmith. This ended scoring for the game. Among other features was a two base hit by McPherson of Annapolis. Ritchie had seven strike outs to his credit and Roberts two. While there were four hits off Ritchie and five off Roberts. Both teams gave splendid support to their bearers, Bridgetown particularly.

Line up as follows:  
Bridgetown—J. Hoyt (c.), James Todd (2 b.), Harry Troop (c.f.), Jas. Fay (1 b.), James Little (3 b.), Harold McLoughlin (l.f.), Herbert Gatti (s.s.), Walter Dechman (r.f.), John Roberts (p.).

Annapolis—R. Goldsmith (2 b.), McPherson (s.s.), H. Miller (c.), W. Nelson (3 b.), M. Rippey (l.f.), W. Ritchie (c.f.), E. McClafferty (1 b.), W. Ritchie (p.), Patterson (r.f.).

DR. PRINGLE PREACHES HERE ON SUNDAY  
Dr. Pringle, of St. Andrew's Presbyterian Church, Sydney, C.B., will be the special preacher next Sunday in the Gordon-Providence United Church. The pastor will be away at Sydney attending the annual conference and Dr. Pringle has been secured to preach in Bridgetown for that day. This is a fine opportunity for the citizens of the town who may care to hear this distinguished Frontenac and Pioneer of the Presbyterian Church. Dr. Pringle is an ex-Moderator of the General Assembly of Canada, and spent some eight or ten years as Missionary in the Yukon. The committee in charge of arrangements are in hopes of making arrangements for the doctor to deliver a lecture on the Monday evening (the 19th instant) following the Sunday to place a lecture on his experiences in Yukon. Dr. Pringle went overseas with the First Contingent and did not return until after the close of the war.

WEST INGLISVILLE

An interesting historical article from Dr. Armstrong, a wedding account of much local interest, and a number of small items will appear in next issue.

## WHY WOMEN TALK

Those who maintain that women are more voluble than men do not perhaps know that there is a scientific explanation for the phenomenon discovered some years ago by a French investigator. The average male, he asserted, speaking for one hour, expends sufficient energy to enable him, in another sphere of work, to lift a 2 lb. weight 40 ins. from the ground every minute. But that is only one-fifth of the energy wasted by a typical tub-chumping open-air speaker, who might as easily be lifting coal from the floor to his shoulder. The female voice, however, is of quite a different calibre, for its mechanism requires so little horsepower to operate that a woman can, we are assured, talk four times as long and four times as easily as a man for the same expenditure of energy, which explains Professor Jespersen's discovery, as well as the widespread belief that in a discussion the woman invariably has the last word.

Mr. and Mrs. H. M. Smith, of Whitman, Mass., left via Monday's east bound express for Cape Breton, Mr. Smith's former home, after a week's visit at A. B. Clarke's.

Further Progress Made in Arranging Details. Athletic Sports, Trade Procession, etc.

A meeting of the general committee of Bridgetown's Centennial celebration was held Monday afternoon in the Board of Trade rooms, Dr. M. E. Armstrong, President, presiding, and considerable detail work was done.

The program as now planned will begin on Sunday, September 3rd, when sons of the town will fill the various pulpits. In the Baptist Church Rev. A. M. Marshall, D.D., of Ottawa, has been asked. In St. James' Anglican Church, Rev. Canon Troop, whose parents were among the first settlers in this part of the county, is expected to occupy the pulpit of his home church on that day. At the Gordon-Providence United Church, Rev. E. O. Armstrong, M.A., of Manitoba, will be the speaker. While Rev. Mr. Armstrong is not a son of the circuit he is a grand son of it, his mother's people being residents here and for many years conducted mills at Bloody Creek. Mr. Armstrong attended school here as a young man.

Monday (Labor Day) will be given up to Athletic sports and a trade procession with one of the best baseball games of the season.

On Tuesday there will be appropriate school exercises with musical program and an exhibition of historic pictures at the local theatre and a drive through the various historic places along the river.

Wednesday is to be French history day, when the exercises will take place at Bloody Creek, one mile from town. Here will be produced the short battle between the English soldiers of the 43rd regiment, stationed at Annapolis Royal at the time, and the French refugees, Hon. Rudolph Lemieux, speaker of the House of Commons, and Dr. Beland, M.P., will be present on Wednesday and will deliver addresses in the evening, and it is hoped that these gentlemen will stay over until Thursday when arrangements will be made for a big banquet at Riverside Inn.

## ANNAPOLIS CO. CRICKETERS WIN

Bridgetown and Annapolis Players Defeat Kings Co. Exponents. Score 137 to 61

A team composed of ten members of the Bridgetown Cricket Club and one from Annapolis went to Wolfville on Saturday last to play a representative Kings County team selected from the best players of the Kentville and Wolfville Clubs. Kings batted first and put up the very creditable score of 61. Annapolis County started disastrously, losing four wickets for 8 runs but on the brothers Ollerhead coming together an effective stand was made and the Kings total was easily passed.
