

WM. RADAM'S MICROBE KILLER

Will cure any of the following Diseases:

\$1,000 FORFEIT if we cannot produce to your satisfaction that permanent cures have been made by it in these Diseases.

Asthma, Abscesses, Bronchitis,
Blood Poisoning, Consumption,
Cancer, Croup, Catarrh, Fevers,
Diphtheria, Dyspepsia, Scrofula,
Erysipelas, Rheumatism, Piles,
Female Complaints,
and all Liver, Kidney and Bladder Troubles.

This remedy is an absolute Specific for Diphtheria or Croup; has never failed where used, in thousands of cases. It should therefore be kept in every family as a preventative; the medicine will keep all the year round. When wanting to use for these two diseases, persons interested should obtain special directions from the Agent at once.

For external applications this remedy has no peer.

All these troubles are Germ Diseases. Destroy these and a cure is effected.

This Remedy is the only one known to mankind which has received the unanimous endorsement of a "Board of Trade" and City Council in a City of 100,000 people.

See our large Pamphlets for full particulars.

DECLARATION.

PROVINCE OF ONTARIO, COUNTY OF YORK,

To Wit:

I, Charles Warren Eman, of the City of Toronto, in the County of York, Esquire, do solemnly declare:

1. That I am the Manager in the Dominion of Canada for the William Radam Microbe Killer Co., Limited, and as such I solely prepare and manufacture from the formula furnished to me by Mr. William Radam, of the City of New York, what is known as "Radam's Microbe Killer."

2. This medicine is entirely composed of pure water which is charged with powerful microbe destroying gases, and in the composition thereof no acids, opiates or spirits of any kind whatsoever are used, and I make this solemn declaration conscientiously believing the same to be true and by virtue of the "Act Respecting Extra-Judicial Oaths."

CHARLES WARREN EMAN.

Declared before me at the City of Toronto, this 26th day of August, A.D. 1890.

ENG JS MacMURCHY, Notary Public for the Province of Ontario.
