# February

The old, old wonder of the world  
Is with us once again  
Slow sinking to the west  
Each eye a little longer with  
And cheers the snowy landscape  
Nor do we notice that to be  
Until a month or more of it  
When we exclaim "How long  
No let some kindly deed lower  
Be daily done by us, that  
Of selfishness some light  
Maybe not noticed till we feel  
Is less within our souls, and  
Has grown the cheerful sunshine

## HORNING'S MILLS NEWS.

From our own Correspondent.

We had three deaf-mutes visitors - Messrs A. Clark, Lewis Kennedy and Tom Hill lately. Lewis Kennedy was educated at the New York School under Superintendent Dr Post. He stayed at Thos. Middleton's house all night. He is a stranger to Ontario deaf-mutes.

Mr. A. Clark, of Aurora, spent Sunday with the deaf-mute residents around here just before Christmas and he enjoyed his visit.

Tom Middleton was glad to see Tom Hill so much improved in health after many months of sickness. He ate his Christmas turkey with Mr. Middleton and family. It was a treat for the two Tommies to meet.

Mr. John T. Taylor, of Singhampton, has been shoemaking all this winter after completing his summer work with his brothers on the farm, and he is kept very busy.

Mr. Thos. Stevens, a speaking friend of Mr. Middleton, and a native of Chatham, has kept the cheese factory on the corner of the Middleton farm for the past two years. He can speak on his fingers as good as a deaf-mute. He expects to give Tom Middleton a job at his factory this coming summer.

From the Boys' Side of the Globe

BY FRANK HARRIS

- Rather wintery  
- Welcome colder days

We are very much pleased with excellent skating this winter. Skating is popular.

- Yesterday was St. Valentine's Day. Some of us got some paper hearts which were very funny.

- About two weeks ago there was a much snow on the ground. In fact, eight inches of snow fell since.

- We are talking of having a rink on our rink this week. It is as soon as the ice is good and weather favorable.

- George Wallace has been invited to his room with sore eyes for a week but we hope he will recover and be able to come to school soon.

- Dr. Chamberlain, the Government Inspector of Toronto, was a visitor on the 2nd inst. We will expect to see him again in the spring.

- Henry Clements, one of our boys, received a welcome letter from home lately stating that his parents had decided to live in Berlin. He says that he would like to live in Berlin better than in his old place.

- On the 8th inst., the big boys went to the Belleville rink to witness a hockey match between the Belleville and the Napanee teams, but they were disappointed, as they did not play on account of the ice being in poor condition.

About two weeks ago a Klondike party left for the Yukon. It consisted of about five men who will be joined at the Pacific Coast by others. They take two years provisions with them. They are lucky. We would like to go too.

- One of the boys was very much delighted to get a photograph from Mr. Delaney, who graduated from the bakery here last year. We don't think it is much changed. He says that he works in the bakery in Ottawa now. We wish him every success.

- On the 5th inst., Mr. McLintosh, teacher, kindly told us an interesting story about "The Giant with Three Golden Hairs," a fable which was highly interesting. We were much pleased and thanked him for his kindness, and he said that he would tell us again.

- We were sorry to learn that the anchor ice in the Moira river damaged the water and caused a flood in the Belleville flats, so that some people had to leave their houses and others had to move into their second story. The channel has since been opened and the water has gone down.

- On the 3rd inst., our Superintendent, Mr. Mathison, let some boys see the city in the evening to witness a hockey match between the Belleville and the Picton teams. Joe Delaney, one of our boys, who is the best and cleverest player, joined the Belleville Hockey team. The play was a 8 o'clock sharp, resulting in a victory for Picton by a score of 6 to 2. Belleville has lost the Corby cup. Picton is the champion hockey team of the Bay of Quinte District.

KLONDIKE GOLD FIELDS

To the Editor of THE CANADIAN MINER

MY DEAR SIR: - In reply to your issue on the above subject, I wish to meet any of my English, Canadian or American deaf-mute friends who have been invited by the first of May, as the Klondike River will be clear of ice at that time. I leave Edmonton for the Yukon on May tenth, so any wishing to please write to me at following address:

Yours respectfully,  
FRANCIS GEORGE JEFFERSON  
8 De Grasso St., Toronto, Canada
