DELHIE, MINN., June 6, 1905.

"I purchased a No. 6 U. S. Separator Feb. 1, 1905, and sold cream the first month to the amount of \$52.52, the product of 8 cows. The month previous to getting the Separator, the 8 cows produced me about \$25. This herd of cows is about the average herd, three of them being heifers. I can heartily recommend the U. S. to all who want a first-class Separator.
