

STEVENS

QUALITY

Counts every time, and when **QUALITY** has been the predominant feature of a product for almost fifty years, it signifies that no one need have the slightest hesitancy about obtaining that product.

STEVENS FIREARMS are the embodiment of all that high grade arms should be; they have therefore been used and endorsed by the sport loving public the world over since 1864.

These are but a few reasons why sportsmen should be influenced in securing the **STEVENS** when equipping themselves.
