A full range of which are carried
in stock

We have also a No. 1 Coated Book, which we are having specially manufactured for ourselves, and which we are offering at the very low price of 10c per lb. We claim that this is the Cheapest and Best Coated Paper on the Market, for the price. This paper is perfect, and not seconds. We carry in stock regular sizes and weights, but will make special sizes or weights, provided quantity will guarantee the run.

MILLS AT VALLEYFIELD, PROVINCE OF QUEBEC

WAREHOUSE AND
ENVELOPE FACTORY

29 WELLINGTON ST. W.,

TORONTO

SPECIALTIES offered in No. 1 Book and Lithograph, in White, Natural, and Toned.

All stock sizes kept in stock. Special sizes and weights made to order, at shortest possible notice.

We also carry a line of No. 2 papers, same as above.

We also handle Printers' Specialties, and beg to advise the trade that we have placed in our mills a new machine for the manufacture of Extra Superfine, Supercalendered Litho Papers, for Catalogue and Fine Job Work.
