

PARISH NOTES.

—OFFERTORY.—February 5th, \$47.96; 12th, \$43.40; 19th, \$41.51; 26th, \$51.11. Amount required weekly until Easter, \$55.

—THE Rector and Mrs. Cayley entertained a large party of members of the congregation and a few friends, at the school-house, on 9th February. It is almost superfluous to remark that a very pleasant evening was spent. The success of the entertainment was enhanced by instrumental and vocal music, in which Miss Nellie Hillary, Mr. Schuch, Mr. Fraser, and others took part.

—THE improvements in the west gallery of the church have so far progressed that we hope before this issue is in the hands of our readers the new seating will be well advanced towards completion. New chimneys have been built at the north-west and south-west corners of the church, or rather, flues have been built up from the foundation to connect with the old chimneys at those corners.

—THE children of the Sunday-school have determined to help in raising money toward the cost of the Bishop Fauquier Memorial Chapel at the Shingwauk Home. Our parish always took a warm interest in the late Bishop and his work during his life time, and we consequently hope that the efforts of the children to help in raising this monument to his memory will be heartily encouraged by their seniors. Collection boxes have been issued to all children who felt disposed to take charge of them.

—On Sunday evening, 26th February, the Rev. Provost Body preached at our church in aid of the Trinity College Supplementary Endowment, now being raised. From our parish, subscriptions have been already given to about \$3,000, from six persons. Thirty years ago, St. George's gave \$4,000 towards establishing Trinity College, and we think we may claim that within our Rector's cure is the source from which came a large proportion of the cost of the beautiful convocation hall at Trinity. It is to be hoped that our efforts to help the Church's University in her present need will be such as to show our continued interest in her. St. George's has always held close relations with Trinity. It was in our church that the ceremony preceding the laying of the foundation stone of the college took place, and most of our readers will recollect that here the late Provost preached his first and last sermons in Canada, and here, also, the present Provost preached his first.
