Commercial Summary.

CAPTAINS of vessels on the Detroit river and  
Lake Erie complain of the insufficiency of light-  
house accommodation. One day recently six  
vessels were ashore between Amherstburg and  
Kingsville, all of which the captains say could  
have been prevented had there been proper bea-  
cons. Cannot the acting Minister of Marine do  
something in the matter?

MR. WILLIAM WAINWRIGHT, assistant manager  
of the Grand Trunk Railway, has been  
appointed also General Manager of the  
North Shore Railway, recently acquired by  
the G.T.R.

Work has been commenced on the Selkirk &  
Winnipeg branch of the Canadian Pacific.  
Marsden & Co., the contractors, propose to  
have the branch ready for track laying by the  
1st June next.

A STRATFORD, Ont., correspondent reports  
the winter wheat in Perth county as promising  
scarcely half a crop. About one hundred  
thousand acres were sown. Some farmers are  
plowing up and sowing spring wheat, oats and  
barley.

A New Brunswick correspondent under date  
10th May writes: The season continues back-  
ward, and the water is low in the rivers and  
streams, but is rapidly rising; there are pros-  
pect of all the drives getting out above Grand  
Falls. The farmers have commenced seeding.

THE Hon. John Hamilton has been elected a  
director of the Bank of Montreal, and also of  
the Canada Cotton Company, in place of the  
late Mr. Edward Mackay. Mr. Gilbert Scott  
was elected Vice-President, on the latter named  
Board, vice Hon. Donald McInnes, Hamilton,  
appointed President, the position formerly filled  
by Mr. Mackay.

THE arrival at Winnipeg of another gold  
brick from the Lake of the Woods causes some  
excitement among gold-seekers. It was taken  
from the Argyll mine, and weighs forty-seven  
ounces fifteen penny-weights, exactly five dwts.  
minus four pounds, and is worth \$860. Reports  
from other mines would seem to indicate rich  
finds.
