This Company is organized for the express purpose of insuring Farm Property and Private Residences, and it is the determination of its Directors to confine its operations strictly to this class of business, thus avoiding heavy losses from sweeping fires and hazardous risks.

An arrangement has been completed by which this Company has the benefit of the renewals and business here of the Agricultural of Watertown, N.Y., which at once places the Company in possession of a large and profitable business.

The Stockholders, at the general meeting, held at the Company's office yesterday, having decided to increase the Capital Stock to \$1,000,000, the Stock Books will be open at the office of the Company for the next sixty days (unless sooner closed by the Executive Committee) for the subscription of the increase of Capital Stock. Capitalists and others desiring a safe and remunerative investment are respectfully invited to call at the Company's Office and enquire into the advantages offered.

Whereas, doubts have arisen as to the description of articles contemplated by the terms, "Fish hooks, nets, and seine lines and twines," used in Schedule C to the Act 31 Victoria, Chapter 44, and it is expedient that the meaning of the same should be defined and declared.

His Excellency, on the recommendation of the Hon. the Minister of Customs, and under the provisions of the 4th Section of the Act 31st Victoria, Chapter 6, has been pleased to order and declare, and it is hereby ordered and declared, that the following words in Schedule C to the Act first above mentioned, viz.: Fish hooks, nets and seine lines and twines shall, from and after the passing of this Order, be taken to mean Fish hooks, fishing nets and seines, and fishing lines and twines, and no other—and that the Collector of Customs at any Port at which such goods shall be imported, and he is hereby authorized before passing to a free entry of such articles to require the importer thereof to make oath to the fact that such nets, seines, lines, and twines are so imported for fishing purposes only.
