

WHEELER'S WOOD FILLER

Brings out the full life and beauty of the wood. Permanently sustains the finish over same. More economical to use by reason of greater covering properties and saving of labor and material.

BEAUTIFUL HARDWOOD FLOORS

To get the most durable and handsome result first fill with the Wheeler Patent Wood Filler, then apply a coat of Breinig's Floor Polish. Our process is the only correct principle—walk on the wood, not on the finish.

ROOFERS AND SHEET METAL WORKERS.

Our forty years experience in the roofing and sheet metal business throughout Canada ought to be sufficient inducement to you to consult us as to what class of roofing is most adapted to your building before letting contract for same. Information and estimates cheerfully furnished. Remember we have experimented with numbers of different roofs and are now in a position to give you the benefit of that experience free of charge.

OUR WOOD FLOORS

are made in our own factory and are now to be found all over Canada from Halifax to Vancouver. They are superior to the cheap American floors imported here and carry with them our guarantee. In addition to our catalogue design (free on request) we make any other design required at low prices.
