THE HOTEL OF THE CENTURY.

"The Fort Garry," the Grand Trunk Pacific Railway's magnificent hotel at Winnipeg, is described and pictured in the latest booklet issued by the Company. The combination of simplicity and elegance which characterizes "The Fort Garry" is excellently portrayed in the illustrations of the spacious public rooms of the hotel. Fourteen stories in height, and built of sandstone, "The Fort Garry" is architecturally one of the finest buildings in Canada. The people of Winnipeg proudly refer to it as "The Hotel of the Century." Every modern appliance has been used in making the house perfect in its appointments, and in this regard, and also in the matter of service, it confidently challenges comparison with any of the famous hotels of America or Europe.

A copy of this new publication may be had free on application to J. Quinlan, Bonaventure Station, Montreal.
