A Desk That Defies Waste

A desk that *defies* waste—that's exactly what the "Office Specialty" Efficiency Desk does. It acts like a second person on your job guarding against all waste of your energy and time. It automatically handles your routine work for you, leaving you free to concentrate on the big problems.

"OFFICE SPECIALTY" EFFICIENCY DESK

A desk and personalized file combined. It stores a wealth of information—each fact and figure get-at-able instantly. There is a place for everything. Its smooth, roomy top enables you to speed up without knowing it. The Efficiency Desk *insists on being tidy*.

The Efficiency Desk and the other "Office Specialty" Desks, comprising all types for all purposes, are made by Canadian workmen in our Canadian factory.

FILING SYSTEMS

Each "Office Specialty" Desk is made perfect by more than 30 years' experience in manufacturing office equipment and studying the needs of Canada's business firms and institutions. An "Office Specialty" Desk is the way to your bigger and better business success. Write or telephone to our nearest Service Store for particulars of desks and equipment.

THE EFFICIENCY DESK

No frantic calling for an important paper when a customer is on the telephone; no harassing delay. The paper you want is right at your finger ends in an instant.
