

- (l) Permission to use means of officially approved communications such as radio transmitters and receivers approved for use in Saint Lucia and telephone and telegraph networks, depending on the needs of programmes and projects.
  - (m) The proper use, operation and maintenance of any equipment, materials, supplies and goods financed by the Government of Canada in connection with projects aimed at maximising the benefit thereof to the Government of Saint Lucia, and
  - (n) Other measures within its jurisdiction which facilitate the execution of programmes and projects.
- II. The Government of Saint Lucia shall give access to Canadian personnel and their dependents to medical care and hospitalization in Saint Lucia, in accordance with those standards granted to all citizens and residents of Saint Lucia.
- III. The Government of Saint Lucia acknowledges that each member of the Canadian personnel shall be entitled to a period of four (4) weeks leave per annum, which leave may be taken inside or outside Saint Lucia at a time or times to be arranged between the Canadian personnel and the Saint Lucian authorities concerned.
- IV. The Government of Saint Lucia shall ensure that employment shall be guaranteed for a period equivalent to the period of training, or up to the maximum of five (5) years to scholarship and training award holders from the public service of Saint Lucia, upon return to their country following completion of their programmes of study. Annual reports on the positions held by returned scholars shall be provided.
- V. The Government of Saint Lucia shall facilitate the admission of children, to either private or government schools as selected by the Canadian personnel.
