

1. The Canada-U.S. Free Trade Agreement has now been in effect for almost four years. Generally speaking, would you say that, up until today, having the Free Trade Agreement has benefitted Canada, has hurt Canada, or do you think it hasn't really had any impact one way or the other?
2. What about the long-term effects of free trade? Do you think in the long run, the Free Trade Agreement will benefit Canada, will hurt Canada, or will have no impact one way or the other?
