

## Questions

2. Suppliers were invited to submit proposals both on a three and five year basis. They were also invited to include in their tender any concept, development and/or technology that was likely to ensure a better form

set than detailed in our minimum specifications.

The suppliers bid combinations of form sets designated by number or letter as follows:

3. R. L. Crain Ltd., for their "C" sample stock.

4. October 1, 1970.

5. The whole money order system has been redesigned to make use of the most modern equipment available for high volume docu-

ment processing. The present form did not lend itself to the requirement of the new system and a totally new form had to be designed. Also, the form was redesigned to appear more attractive to the public and provide additional security against counterfeiting or alterations.
