I would also state briefly that I wish to compliment the member for Scarborough—Rouge River for his detailed and important work regarding the supremacy of Parliament, which is important to all of us. Although I sit opposite from him, I compliment him on his work.

### THIRD REPORT OF STANDING COMMITTEE

**Mr. Albert Cooper (Parliamentary Secretary to Minister of State and Leader of the Government in the House of Commons):** Mr. Speaker, I have the honour to present the third report of the Standing Committee on House Management. I intend to move concurrence in the report later this day.

**Mr. Speaker:** I wonder if I could perhaps assist the hon. member. There is no need for unanimous consent at this stage. The hon. member might want to consider the rules and later, when the report is moved, the hon. member might want to take advantage then of whatever rights there are.
