Major Gustave Lanctot,
The Public Archives,
O t t a w a.

My dear Major Lanctot:-

I understand that you have in the Archives three volumes of documents relating to McGill University. We have no complete transcription of these and should be very glad indeed, if at any time you were having copies made, you would have an additional one prepared for donation to the University.

We have always appreciated very highly the assistance which the Archives give us and, if it were possible for you to help us in this case, we should be very much obliged.

Yours faithfully,

Principal.
