ALBERTA HOGS AT UNION YARDS

Western Shipment Helps Packers and Does Not Weaken Prices.

Stock Yards were larger than anticipated. There were 107 cars, consisting of 1334 cattle, 119 calves, 2400 hogs and 590 sheep.

Prices showed practically no changes from the previous day. Dealers were not overly anxious buyers, because of the nearness of Christmas, but shippers would make no concessions in prices and business dragged early in the day.

A prominent feature of yesterday's market was the arrival of 14 cars of hogs from Alberta, consigned to Rice & Whaley. This is the first direct shipment of hogs received from Alberta at the Union Yards. A year ago shipments of hogs to Alberta from Toronto were quite frequent. Hog raising in the west has been much extended recently, and yesterday's shipment is part of the results. The shipment was quite opportune, as without this 1600 hogs buyers would have been short of their demands.

Milkers and Springers

There were few of these on the market. The demand is good, the right kind bringing in the neighborhood of $90. Poorer types range from $50 up.

Veal Calves

Calves of good quality are scarce. Medium kinds brought $10 per cwt., and good animals would bring a considerably higher figure.

Sheep and Lambs

Prices of these were firm. Ewes averaged about $6 per cwt; culls and rams, $3.50 to $4.50, and lambs, $8.50 to $8.50.

Hogs

Packers were only supplied in full yesterday by the arrival of 1000 hogs from Alberta. Prices were steady to firm, as follows: Fed and watered, $8.75 to $8.55.

FALLEN TIMBER WILL BE SOLD

That Damaged by Heavy Storms Finds a Ready Market.

Millions of feet of first class crown timber have been felled in the north country by the tremendous gales which have driven across within the last few weeks. The departmeit of lands and forests is now engaged in disposing of this at a reduced figure, to contractors who will take it out immediately.

The region particularly affected lies north and east of the Soo and east to Merrick Township on the T & N. O. Thirty four townships under timber license suffered severly and the Missisaga forest reserve in like measure.

The C. N. R. will take a large part of that damaged in the Nipissing district at $5 per thousand for blowndown timber, and $12.25 for that standing in the same locality. Direct loss would be felt if this offer were refused.

Deputy Minister Aubrey White states that the timber be removed before the borers attack it and destroy it utterly.

The disorder increased toward midnight, when the crowd proceeded to some houses occupied by Colombians and threw stones at the windows and uttered threats.

The trouble was brought about by an article by a local writer reflecting on the Colombians which was replied to by a Colombian resident.

LONDON, Dec. 19.—(C. A. P.)—Deputy Minister Scott, of British Columbia, offered some very frank advice to the intending investor or immigrant at the Royal Colonial Institute luncheon today. "Do not expect one hundred per cent. profit without risks," he said.

He said there was not the slightest doubt that Vancouver would eventually rival San Francisco, altho things were rather slow just now. It was, however, absolutely necessary to get money for legitimate improvement.

IMPRESSIVE CEREMONY AT CARDINAL'S BURIAL

Coffin Was Borne in Solemn Procession to St. Peter's.

ROME, Dec. 19.—(Can. Press)—A most impressive ceremony accompanied the funeral service today for the late Cardinal Mariano Rampolla, who died suddenly on Dec. 16. The coffin bearing the dead Cardinal's insignia was transported in the midst of a procession from the little palace where the prelate died, to St. Peter's, where had already gathered the members of the sacred college, the diplomatic corps, the papal court, the Roman aristocracy and the Knights of Malta, besides a large number of clergy and laymen of all nationalities.

Requiem mass was celebrated by Monsignor Pietro Jorio, vicar of St. Peter's, and then Cardinal Vincent Vannutelli imparted absolution.

The body was afterward conveyed to the cemetery in the chapel of the vatican chapter and later buried in the church of St. Cecilia, of which Cardinal Rampolla was the protector, and which he had caused to be magnificently restored.

MANUFACTURER CANNOT CONTROL RETAIL PRICES

Judgment in United States Circuit Court of Appeal as to Cut-Rate Sales.

NEW YORK, Dec. 19.—(Can. Press).—The United States circuit court of appeal today decided that a certain American watch company could not force Charles A. Keene, a New York jeweler, to stop selling its watches at cut prices. The court affirmed the decision of the federal district court.

Keene bought the company's watches abroad at a price lower than that charged by jobbers here, and sold them for less than the price set by the manufacturer for the domestic retail trade. The decision is in line with recent judgment of the United States supreme court that the manufacturer of a patented or copyrighted article could not fix the retail price.

The campaign as planned is not to abolish the manufacture or sale of liquor, but simply to aim at the abolition of the bar, and restrict the sale to wholesalers, clubs, and possibly with meals at hotels.

Temperance leaders are already in communication with Alberta Government leaders on the matter.
