MONTREAL, JUNE, 1893

We take the earliest opportunity of intimating to our constituents that the very great pressure upon us during Spring for Color Cards and advertising matter has now been met; that our printing room is level with orders; and that any of our friends who may have been overlooked, or who require a further supply, will be promptly served on communicating with us.

—We must not delay to explain that partly from pressure on some of our departments, and partly from serious interruption of Railway traffic, some of our Spring orders were late in reaching their destination. We venture to ask our friends to consider the circumstances and treat the delay as exceptional.

With this month we have broadened our shipping arrangements, both for town and country, and as the Railway blockade has been raised, we venture to assure our friends that deliveries will be equal to our best record.

We desire to acknowledge the hearty support we are enjoying, and hope to merit its continuance.
