### The Twins Liked Their Mugs

The World yesterday received the 100th application for one of the Silver Mugs which are being presented to babies born in Ontario on the 29th of February last. As all coupons must be in by the 31st of March, there is yet half a month to go, and the award this year bids fair to reach the 150 mark. This Leap Year has broken all records for the number of mugs presented to bables. Previous to this the award of four years ago held the record, when 81 bables received souvenir mugs.

The first pair of Leap Year twins received their mugs and were highly delighted, as may be seen from the following letter: Owen Sound, Ont., March 14th, 1912.

Silver Mug Department, Toronto World. Dear Sirs: Having received your Silver Mugs for the little Healy bables, would say they are far beyond our expectations when we first heard of your gifts to Leap Year bables. We feel very thankful for the kindness you have shown towards us, and this we shall never forget for the years to come.

Yours very sincerely, Mr. and Mrs. Healy.

A Remarkable and Convincing Statement of the Success of Cuticura Soap and Ointment in the Treatment of the Pain, Itching and Burning of Eczema

"I, the undersigned, cannot give enough praise to the Cuticura Remedies. I had been doctoring for at least a year for eczema on my foot. I had tried doctor after doctor all doctoring for at least a year for eczema on my foot. I had tried doctor after doctor all to no avail. When a young girl I sprained my ankle three different times, paying little or no attention to it, when five years ago a small spot showed upon my left ankle. I was worried and sent for a doctor. He said it was eczema. He drew a small bone from the ankle about the size of a match and about an inch long. The small hole grew to about the size of an apple, and the egzema spread to the knee. The doctors never could heal the hole in the ankle. The whole foot ran water all the time.

"My husband and my sons were up night and day wheeling me from one noom to another in the hope of giving me some relief. I would sit for hours at a time in front of the fireplace hoping for daybreak. The pain was so intense I was almost crazy, in fact, I would lose my reason for hours at a time. One day a friend of mine dropped in to see me. No more had she gianced at my foot than she exclaimed, 'Mrs. Finnegan, why in the world don't you try the Cuticura Remediest' Being disgusted with the doctors and their medicines, and not being able to sleep at all, I decided to give the Cuticura Soap and Cuticura Ointment a tral. After using them three days that night I slept as sound as a silver dollar for eight long hours. I awoke in the morning with but very little pain, in fact, I thought I was in heaven. After using the Cuticura Remedies for three months I was perfectly restored to health, thanks to the Cuticura Soap and Ointment. Theatre, headed by Fred Karno's London company in "A Night in An English Music Hall." This is the first time the original company has played Toronto and with Billie Reeves, the original inebriated swell. A miniature theatre is carried and all the music hall performers appear. And part of the audience is in place and the boxes are filled with devotees to the music hall. Billie Reeves has a place in the stage box and his antics are one long laugh. There is a dancer of more than ordinary merit in the act, clever comedians and pretty girls aplenty. "A Night in An English Music Hall" is sure to prove a wonderfully pleasing attraction.
