THAT STAB-LIKE PAIN IN THE SMALL OF THE BACK COMES FROM THE KIDNEYS

AND CAN BE CURED BY

DOAN'S KIDNEY PILLS

It is not the back that is aching, but the kidneys which are situated beneath the small of the back.

Therefore, dull pain in the back, or sharp, quick twinges, are warnings of sick kidneys warnings of kidney trouble. Plasters and liniments will not cure a bad back, for they cannot reach the kidneys which cause it. Doan's Kidney Pills reach the kidneys. That is what they are for and that only. So, if you would be free from backache, swelling of the feet and ankles, frequent or suppressed urine, painful sensation when urinating, specks floating before the eyes, frequent thirst, brick-dust deposit in the urine, or anything wrong with the urinary organs or bladder, you must keep your kidneys well. Help them to work freely and help them to first the reely, and help them to flush off all the body's waste and impurities.

Doan's Kidney Pills are made from the purest roots and herbs, and have a remarkpurest roots and heros, and have a remarkable healing and toning effect on the kidneys. Mrs. Barling, 26 Locomotive Street, Hamilton, Ont., writes: "I had been troubled considerably with my kidneys, using many remedies, but finding no relief. tried Doan's Kidney Pills and found them to act directly on the kindeys, and

making them strong again."

## PROSPERITY

The success of Japan in her struggle with Russia is due to her close observance of the old adage: "In times of peace prepare for war." What is true of nations applies with equal force to individuals, who should "in times of prosperity prepare for the inevitable rainy day." In no manner can this be accomplished with so much satisfaction and certainty of success to the individual as by a savings account with this company. Learn to save and your future welfare and prosperity is assured. Start to-day.

DEATH RATE INCREASES.

Typhoid and Tuberculosis Show Increase-Others Decrease.

Scarlet fever and diphtheria in the ovince for the month of Februa ear show a marked decrease from the ary a year ago. Typhoid fever and tu-perculosis, however, show an increase, according to the records of the pro-vincial board of health.

In order that the safecrackers may not gain such a long start of the police as they did in two of the cases the deaths from disease show an increase of forty-three persons. This is mainly due to typhoid and tuberculosis, the only two diseases that are increasing.
