### GRANT INSPECTOR HUGHES TRIP TO THE OLD COUNTRY

Management Committee Think He Has Earned a Holiday-Vacation School Plans.

three-months' leave of absence was granted to J. L. Hughes by the mangement committee of the board of education yesterday, to permit of the inspector visiting various schools in the British Isles and the European

The proposition was broached by Trustee Kent, who believed the inspector was entitled to such a trip in view of his 30 years' service, and that Mr. Hughe- could pick up some valuable ideas, particularly in matters pertaining to technical education. The committee favored the idea unanimously, and instructed the finance committee to place \$750 in the estimates for that

Five hundred dollars will also be placed in the estimates for the estabplaced in the estimates for the establishment of a vacation school. At first Trustee Dr. Hawke demurred at this proposal. He said if the children must be occupied during the summer holidays, they should be loaded into a boat and sent over to the island to play in the sand.

"There is too much school now," said the doctor. "Let the children have the freedom of the summer vaca-

When it was explained, however, that there were to be no studies in connection with the school, that the idea was to keep the children off the streets by an organized system of play. Dr. Hawke was heartily in ac-cord. Chairman Harry Simpson be-lieved that \$500 expended in this way now would be a saving of triple the amount in police court expenses in the future. Solicitor McMurrich will ascertain if such institutions are within they are not, the board will apply for legislation permitting them.

An appropriation for the annual school games having been overlooked, a notice of motion will be brought in to the board to set aside \$400 for this

purpose.
The following recommendations of Inspector Hughes were adopted: That when Essex-street and Withrow-avenue schools are completed, a kindergarten be opened in each; that the resignation of Miss F. E. Paxton, teacher in Queen Victoria school, be accepted; that Miss C. A. Sparling be transferred from Rose-avenue to Essex-street kindergarten and Miss L. B. Harding from Bolton-avenue to Withrow-avenue kindergarten and Miss L. B. "The object of a fire drill is not chiefly to get children out of a burning school or other building quickly, but is primarily to prevent the possibility of a panic in case of fire. It is not possible to burn a properly constructed building so quickly that he lives of the children should be in danger from fire. We have had during the last thirty years nine fires in our schools, three of which destroyed the buildings. On account of the regularly conducted fire drills, there was no confusion in any case, tho the flames and smoke were clearly seen by the pupils in three cases, so that they knew the buildings were on fire. The children marched in rank just as regularly as at ordinary fire drills.
