Another Ground Which Commis- ed for in the Komoka estimate at a sioners Set Forward in Favor of the Komoka Scheme.

To the Editor of The Advertiser: Let us now consider the Komoka

The first question to ask is, How much further? The experience of sev- Kilworth addition ...... 106,000 with police, the intervention of whom, eral cities along this point has been. The sum total of these amounts is however, was not required. that the water goes about one-third \$420,000, the interest and sinking fund further, so that our 3,500,000 gallons, on which would be \$24,360 a year. which was a sufficient supply for 35.- It would perhaps cost 25 cents each 000 people, would, with meters, be suf- to read these meters four times a ficient for 47,000 people, but that is year, and it is doubtful if they could practically where the city is today, and be kept in repair for less than 50 cents it would then be necessary, in case of a year apiece. These two items make the adoption of meters, to proceed with 75 cents each, but, to be on the safe

Then the question is, What would to be obtained at Komoka will be ample this extension be, and what would be the total cost of the whole system?

Now, we take it, that in order to probably result in a saving of at least \$3,000 a year. It would only be fair the Komoka system, you must demand in comparing the two schemes to add equally good results from either one. to the cost of the meter scheme this In the case of Komoka, the estimates \$3,000, which would be saved by the provide for a duplicate main, in order Komoka scheme. to give satisfactory pressure all over The additional 1,000,000 gallons from the city. Our present main has reach- Kilworth would also have to be pumped ed its limit, and any addition to the present supply must pre-suppose a second main to the city. In connection with this second main there arises also volve a further expense of \$3,000 a year

cost of \$45,000. To make the meter system equally efficient, this \$45,000 must meters are adopted.

The cheapest addition of any moment that can be made is the Byronscheme as compared with the meter to-Kilworth scheme, which will cost The audience, which was a brilliant scheme. Meters have a large number \$106,000, and will yield probably in the one, gave the tenor a cordial recepof adherents in London because of the neighborhood of 1,000,000 gallons a tion, which was accepted by his friends undoubted fact that they would pro- day. The cost then of the meter sys- as a public vindication. duce economy in the use of water, and tem would stand about as follows:

11,000 meters, which may be es-

some further extension of our system in side, let us call it 50 cents, which will order to provide for the necessities of yield a total annual charge of \$5,500. The addional water power which is

the necessity for larger or duplicate for this additional 1,000,000 gallons of pipes on certain streets to distribute water.

the pressure. These have been provided to sum up, we have the following an-

nual expenses from the moter sci Interest and sinking fund on new mains, meters and Kil-repairing meters ...... 5,509 Coal required, in excess of what would be used by the Kilworth

scheme ..... 6,000 ..... \$35 900 In case it is found wise to use iron pipes for the Komoka scheme the cost vill be \$39,000 a year, and when the neter plan would result in a saving of \$3,200 a year; but if wooden pipes are \$3.200 a year; but if wooden pipes are feasible, the meter plan would be more expensive by \$1,800 a year, and the city would have the great advantage in the case of Komoka, of having an ample case of Komoka, of having an ample ciency only. This difference is about the same as exists between a telephone with unlimited calls and one on which the user has to pay 2 cents a call; and anyone who has had experience with the latter kind knows that, while economy is a virtue, it is not always a comfortable virtue.

The figures which are given above represent the difference in cost, dur-

debentures and sinking fund are run- duct. 000 gallons a day and as much more at a car. eventually cost \$6,500 for 3,000,000 gai- rest their testimony fell to lons, the meter scheme will place the ground. city in a less advantageous position, not capable of supplying so many people, and at the end of 30 years, will be costing the city \$11,500 a year or \$5,000 more than the Komoka scheme, which will be capable of supplying many thousands more of population F J. DARCH, Chairman.

J. C. JUDD, Mayor. W. E. SAUNDERS, Commissioner.

of Canada's favored nations.

### ONTARIO HEALTH

The Figures for October Show Large Increase in Typhoid Cases.

Toronto, Nov. 28.—Dr. Hodgetts, secretary of the provincial board of health, this morning handed out a statement of the health returns for October.

The increase in typhoid is 120 cases and The increase in typhoid is 120 cases and 68 deaths over September last; and 525 cases and 88 deaths over October a year ago. Diphtheria also had been more prevalent in the Province, there being 376 cases, with 41 deats. The number of the other diseases reported may be considered satisfactory. The total deaths from all causes are 2,370 from a population of 2,101,200, making a death rate of 13.5 per 1,000, and for the same period last year, 2,047 deaths were reported from a much less population, the death rate being 12.3. Fort William had the greatest number of typhoid cases. There were 65 cases of typhoid cases. There were 65 cases and 11 deaths. Toronto had 53 cases and 6 deaths, while Parry Sound also had 53 cases, but only 4 deaths. Hamilton had 47 cases and 6 deaths.

### THE PARTIES IN CAUCUS

Government and Opposition Plan Programme for the Session.

Ottawa, Nov. 28. - Both political parties were in caucus today. Conservatives met in room No. 6. David Marshall, newly-elected member for East Hastings, occupied the chair. At the close it was stated that the meeting was to arrange the sessional programme.

At the Liberal caucus Mr. Archie Campbell presided, and the work of the session also came under review. Bourassa, Robitaille, Lavergne and Verville were not present.

# LIQUOR SELLERS HEAVILY FINED

Sarnia-Conviction in Three Cases.

Marshall, Courtright, and Sarah A. Hyde, Courtright, were either admitted or proven and fines of \$50 in each case and costs imposed and were paid. It is reported here that special detectives visited the hotels in Moore Township yesterday, and obtained sufficient evidence to convict all, or nearly all, of those carrying on business in that line in the township.

An interesting event took place last evening at the home of the bride's parents, when Miss Clara Maude Smith, daughter of Mr. and Mrs. T. Smith, was united in marriage to Mr. C. J. Maurer.

daughter of Mr. and Mrs. T. Smith, was united in marriage to Mr. O. J. Maurer. Rev. John R. Hall, pastor of the South Sarnia Presbyterian Church, officiated. Miss Vida Smith was bridesmaid for her sister, and Mr. D. Alexander, of Cincinnati, Ohio, was groomsman. The bride looked charming, attired in white silk mull, with silk embroidered designs. After the wedding breakfast the young couple the wedding breakfast the young couple left on the 9:45 train for Cleveland and other points. Mr. and Mrs. Murer will reside in Detroit.

#### BIG CLASS INITIATED

Fifty-One Candidates Received at the Woodmen's Gathering.

Last evening Pine Grove Camp. No. 2 W. O. W., held a special meeting in the East End Town Hall. Representatives of the various camps around London turned out in full force. The officers of the camp-C. C. S. Baker, Major Brown, Sov. Leah, A. L.; Sov. Young, P. C. C., and Sov. Cahoon, B.; assisted by Capt. Hall, gave the protective degree in a most impressive manner to a class of 51 candidates. Subsequently, a banquet was served by the lady members of the camp and over 200 sat down

to the well-laden table. In reply to the toast, the head camp Head Consul Commander C. C. Hodgins, M. P. P., spoke in a most hopeful tone and said that the Woodmen since 1893 had increased in membership from 300 to 10,318, was better managed, better financed, and in every way in better condition than during any time of its history. Adverse criticism had only shown them the wonderful record the order had made. In a tabulated state-

ment he showed the remarkable growth of the order. The members present heartily enjoyed the strong defense put up by Ald. (Dr.) Harrison, of Toronto. Instances vere given of the failure of actuaries to state the true condition in society insurance matters. They based their calculations upon the old-line of experience. New data for society insurance is an absolute necessity. Woodmen have every reason to be

Sov. Cinnamon, of Lindsay, gave a most patriotic and eloquent speech on Canada. The greatest asset of Canada. he said, is the character of its people and the Woodman Order was a credit

to its people. Sov. Mayor Hoover, of Clinton; Sov. Allen, of Stratford, and Sov. (Dr.) Bartlett, of St. Thomas, gave most optimistic addresses.

The delegation from St. Thomas, a most enthusiastic and expert body of choppers, added very largely to the

pleasure of the evening. "Billy" Hall and Organizer Miller were each presented with a silk hat for their most successful work. Sov. Leonard won the gold ring for the largest number of candidates.

### "B" COMPANY DINNER

Officers Entertain Members at Vaudeville and a Banquet.

B Company, Seventh Regiment, were very pleasantly entertained last evening by Capt. Little, and Lieuts. Bentley and Spry. The company first attended Bennett's Vaudeville, where they were greatly pleased with the performance, and at its conclusion they sat down to a very dainty dinner at a down-town restaurant. Among the officers present were Major Hayes, Capt. McCrimmon, Lieut. Ware, Lieut. Andrews, Lieut. Ingram and Lieut. Lowe, of the Seventh; Sergt.-Major Borland, Quartermaster-Sergeant Dunlevy, Sergeant Cockburn, of Wolseley Barracks; Staff-Sergt. Cheney, of the D. O. C.'s office; Hospital-Sergt. Charlton, Sergt. Major Milligan; and the sergeants from the company. In all about 60 guests

were present. An impromptu programme of songs and speeches was carried out. Major Hayes, Lieut. Ware, Sergt. Freeland, and Ptes. Martin and Lee contributed vocal numbers, which won loud ap-

The affair broke up about midnight, after the company had declared their hosts to be right jolly good fellows.

### FINN McGIBBON SAFE

Was Thought to Have Taken Passage on the lilfated J. H. Jones.

Sarnia, Nov. 29.—Citizens have been nuch worried owing to the fear that Finn McGibbon, member of the lumber firm of McGibbon Bros., had lost his life by the foundering of the steamer J. H. Jones in Georgian Bay. McGibbon was to have taken the boat on her ill-fated trip, but delay in the closing of a business matter caused him to miss the boat. Last night he wired he was safe in Wiarton.

ate its value as a curative. Try it, of alcohol.

## PAINS

CANADIAN WOMEN FIND RELIEF The Case of Ellen Walby is One of Cures Made by Lydle Vegetable Compound.

How many women realize that it is not the plan of nature that women should suffer so severely?

Thousands of Canadian Women, howver, have found relief from all monthly suffering by taking Lydia E. Pinkham's Vegetable Compound, as it is the most thorough female regulator known to medical science. It cures the condition which causes so much discomfort and robs these periods of their terrors.

Ellen Walby, of Wellington Hotel,

Ottawa, Ont. writes:

"Your Vegetable Compound was recommended to me to take for the intense suffering which I endured every month and with which I had been a sufferer for many years getting no relief from the many prescriptions which were prescribed, until, finally becoming discouraged with doctors and their medicines I determined to try Lydia E. Pinkham's Vegetable Compound, and I am glad that I did, for within a short time I began to mend and in an incredible short time the flow was regular, natural and without pain. This seems too good to be true and I am indeed a grateful and happy woman."

Women who are troubled with painful or irregular periods, backache, bloating, Ottawa, Ont. writes:

or irregular periods, backache, bloating, (or flatulence), displacement of organs, inflammation or ulceration, that "bearing-down" feeling, dizziness, faintness, indigestion, nervous prostration or the blues, should take immediate action to ward off serious consequences, and be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Com-pound, and then write to Mrs. Pinkham, Lynn, Mass., for further free advice. She is daughter-in-law of Lydia E. Pinkham and for twenty-five years has been advising women free of charge. Thousands have been cured by so doing.

## HEART TROUBLE CURED

In the rush, hurry and worry of modern times, we overwork the heart. Is it any wonder then that there comes a breakdown of this wonderful little engine, when such a continued strain is placed upon it day after day. There are many forms of heart trouble and the slightest derangement of this imortant organ is extre strengthen the weak heart it is necessary to use a remedy that will act upon the heart tissue, restore and revitalize it and at the same time tone up and invigorate the nervous system, we have such a con

### MILBURN'S HEART AND NERVE

PILLS Mrs. Ella Dingman, Morganston, Ont., writes of her experience with them: "It is with the greatest of pleasure that I recommend Milburn's Heart and Nerve Pills. I mend Milburn's Heart and Nerve Pills. I was troubled for a long time with my heart; I had weak and dizzy spells, could not rest at night, and I would have to sit up in bed the greater part of some nights, and it was absolutely impossible for me to lie or my left side. At last I got a box of Milburn's Heart and Nerve Pills and they did me so much good I got another box and they effected a complete cure. I have not been troubled with my heart since."

Price 50 cents per box or 3 boxes for \$1.25 all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
