THREE SERVICES.—Palm Sunday is to be a busy day for the Bishop of Huron, who will conduct three confirmation services, one at 11 o'clock in the Cronyn Memorial Church, a second at 3 o'clock in St. Mark's, London Junction, and a third at 7 o'clock in St. James', South London. The market situation as regards foodstuffs is reviewed in the Canadian Grocer this week as follows: dian Grocer this week as follows:

A big advance in oranges has occurred during the week and a great searcity for the next two or three weeks is anticipated. New prices is sued show advances of from 50c to \$1 per case over nighest quotations prevailing last week. All lines of onions have registered a decline of from \$1 to \$1.25 per bag, and the demand continues brisk. Lower figures are given out for potatoes, though receipts show little improvement as yet owing to the condition of the roads, show little improvement as yet to the condition of the roads, prevents farmers getting to the condition of the roads, prevents farmers getting to the mg centres.

owing to the condition of the roads, which prevents farmers getting to the shipping centres.

The sale of tea continues good, and the cheaper lines are available in large quantities. The finer grades are reported scarce and best quality Pekces are costing almost excessive figures to import. Lower grades are being sold here at fully 10c per pound less than these could be bought and brought into this market.

GOOD FRIDAY MUSIC.—At Dundas Centre Church tomorrow morning Rev. William Pescott will preach on the "Triumphal Entry," and the chotar will render appropriate music. At the even-

to this market.

The extreme demand for mill feeds is stated to be due to the fact that prices set on same are less than what larmers can secure for their rough feeds and not owing to limited production. Flour and feed have been turned out in greater quantities than ever before during the past year, and with normal prices ruling on rough grains mill feeds would be available in ample quantities.

Offers of raisins for July and August shipment have been withdrawn. It is reported that the California crop has been exhausted except on seedless. Retailers are being urged to place their orders early, as under present transportation conditions no hope is held out.
