AWAIT RAILWAY PLANS FOR STATION

May Permit Temporary Operations, But Must Build Viaduct, Mayor Says.

"We are waiting for the alternative plans of the railways," said Mayor Church yesterday on being asked when the sub-committee would report on the proposed arrangement for the opening of the new Union station and temporary operation of the trains on the level.

The mayor stated that he had a letter from President Beatty of the C.P.R. the other day and he says the plans are under way.

"We want to get the alternative plans and study them to know where we are at," said the mayor. He stated that the members of council would be asked to inspect the station so that they could see for themselves what was being done.

"The railways know the terms and conditions on which the temporary operation will be permitted," the mayor said. "There is no delay on our part. Furthermore," he declared, "the city's interests will be amply safeguarded, and, while temporary operations will be permitted if a satisfactory agreement can be made, the viaduct must be built."

"We have applied for an injunction," Mayor Church informed a deputation of Metropolitan residents who came to the board of control yesterday to protest against the C.P.R. maintaining an open-air car barn there.

"The city will soon take over the road, and then the trouble will be ended," said the mayor.

"We want to make sure the city won't perpetuate the nuisance," said a member of the deputation.

LEMON EXPLAINS POSTIES' CLAIMS

Postmaster Issues Statement About Cheque Business.

Postmaster Lemon yesterday issued a statement explaining the process by which letter carriers become entitled to the cheques which caused the indignation meeting on Lombard street on Tuesday evening. The amounts received by the carriers range from 7 cents up to \$100, but no class "B" men have received cheques for \$500, as was previously reported. The men were under the impression that they were being paid their arrears of pay up to date, but Mr. Lemon explained that accounts have been squared only up to the 1st of April, 1920. Letter carriers have, therefore, further sums coming to them for the period of April 1 to July 31.

To make the matter quite clear, the postmaster cited the case of one man who received a cheque for 50 cents: "This man," stated the postmaster, "on March 31, 1919, got a salary of \$704.25, plus a bonus. This amount was less than the minimum of his class at that time. Under the new classification he received an increase of 25 cents a day. On April 1, 1919, he was entitled to the difference between his salary and the minimum of \$780.

"On April 28, 1919, he received an increase of \$75.25 for the year. That made his total \$779.50 on April 1, 1920. He should have received \$780, according to the new classification. The difference is, therefore, 50 cents.

"It is all worked out according to a set table of increases, and minimums and classes, and by taking individual cases we can explain the apparent injustice by which men who have been in the service longer than others receive less back pay."

RESERVE DECISION ON DAVIES' ASSESSMENT

The court of revision yesterday reversed decision in the appeal of the William Davies Company against the assessment of their retail stores on the 60 per cent basis.

The assessment department, following the decision of the appellate court at Windsor, that a Studebaker store should be assessed as part of the Studebaker motor plant, and decided to assess the thirty-eight Davies retail stores here as parts of the Davies packing plant, and on a 60 per cent business tax basis instead of the usual 25 per cent on values of premises occupied which applies to retail stores.

The appellants argued that the retail stores stood on their own footing, and could not be considered part of the packing business.

To Establish Memorial to Late Rev. Elmore Harris

Another four thousand dollars, it was announced yesterday, has been contributed by Mrs. Helen Harbinn to the funds of the Baptist Hospital, which was established by her as a memorial to her father, the late Rev. Dr. Elmore Harris, of Toronto, who died while on a missionary inspection tour in India. Dr. Elmore Harris was himself a munificent supporter of foreign missions. The four thousand dollars just contributed is for a bungalow for the Canadian Baptist Mission nurses at the hospital at Akidu, India.

BRIDAL COUPLE HONORED.

A reception was given last night at the Blue Triangle to Mr. Alfred Mist and his bride, Miss Kitty Hill, the bridal party coming to the E.W.C.A. building after the ceremony, which was performed at St. Peter's Church, Carlton street, Rev. Mr. Wilkinson officiating.

JAIL TERM FOR A CHILD BEATER

Sentence of sixty days in jail was imposed on William Farr, the returned soldier, who handcuffed his niece to a chair and gave her a severe flogging. Judge Morson, in passing sentence, said he had thought of ordering the prisoner to be lashed in addition to his jail term, but, although he has been guilty of a brutal, inhuman action, which cannot be justified in the eyes of any decent man, the violence of the assault and the severity of the punishment were not as great as one would think from reading the newspaper accounts," commented his honor. Farr said he had committed the act while under the influence of liquor and did not know what he was doing.

BUILDING PERMITS ISSUED.

Building permits issued yesterday at the city hall included: Canadian General Electric Co., brick factory, corner of Wallace and Ward avenues; \$40,000; W. J. White, two detached dwellings, 127-9 Humboldt avenue; \$8,000; R. P. Powell, pair semi-detached brick and frame dwellings, east side Springhurst avenue; \$4,000; E. L. Duggan, alterations to 38 Admiral road; \$2,200; A. Jackson, detached brick dwelling; 48 Hunter street; \$3,500; B. Graham, brick store and dwelling for two families, southwest corner of Oriole Gardens and Lawton avenue; \$10,000.

CITY SUES T. S. R.

Action has been entered at Osgoode Hall by the city of Toronto against the Toronto Street Railway, in which an injunction is sought to restrain the defendants from erecting a car barn and lavatory at Queen street and McLean avenue, without having first obtained a permit from the city architect. It is stated that the city had refused a permit for one of the buildings, and in another case the company did not ask for a permit to proceed with the building.

STOLE VICTORY BONDS.

Sentence of five and six months, respectively, was passed on Harry Stevens and J. Peteroff in yesterday's police court for the theft of two \$50 Victory bonds from Stevens' sister.

LIQUOR SELLER FINED.

In the police court yesterday Paquette Lene was fined \$300 on costs or three months for selling liquor.

OPPOSITION TO O. T. A. APPEALS

The attorney-general's department is opposing every application for appeals against decisions of magistrates in O. T. A. cases. Twenty-five of these appeals are pending through the province. They are applications to have convictions quashed on various grounds, mostly because of alleged lack of evidence. Five of the applications are listed for hearing before Mr. Justice Lennox at Osgoode Hall tomorrow morning, all of them out of town cases. The attorney-general's department is opposing every application.

CIVIL SERVICE RECLASSIFIED.

The reclassification of the Ontario civil service will be practically completed this week by Civil Service Minister McTavish. The general tendency of the reclassification will be towards increasing salaries. "Any changes made by the reclassification will only be for the present year. Next year the whole service will again be considered and promotions are to be made in 1921 and increases granted on merit. This year an effort is being made to secure for all the civil servants a wage sufficient to meet the high cost of living.

THE WESTERN CROP.

It is estimated that about 30,000 men will be required to work as farm laborers to assist in harvesting the crops in Manitoba, Saskatchewan and Alberta.

The Canadian Pacific has arranged and is advertising usual special fare of \$15 to Winnipeg, and will run special trains from Toronto, August 9th, 11th, 18th and 18th.

LIQUOR SELLER FINED.

In the police court yesterday Paquette Lene was fined \$300 on costs or three months for selling liquor.

LOTS OF WORK, BUT IT'S OUT OF TOWN

"Lots of work out of town," said J. A. Miller, government employment bureau, when questioned regarding the present employment situation. "Ontario farmers report bumper crops, and are willing to pay \$50 to \$60 a month and higher with board and lodgings included." Men are also needed on the railways, in lumber mills and in mines. Flux pulling requires a number of men immediately, and \$16 to \$20 an acre can be earned.

BLACKSMITHS AGREE TO ACCEPT OFFER

Most of the blacksmiths and helpers employed by the Toronto Street Railway Company have agreed to accept the company's offer of a five-cent wage increase, according to statements made at the meeting of the conciliation board yesterday morning. The increase is retroactive to June 15th and is already being paid. A protest came from A. Sanderson, secretary of Local 318, Blacksmiths' Union, who stated that his organization had not agreed to the increase.
