MAN O' WAR AND SIR BARTON MATCHED; EXTERMINATOR DECLINED TO ENTER

Havre de Grace, Md., Sept. 24.—Man o' War and Sir Barton, two of the most famous race horses of the world, will meet at Kenilworth track, Windsor, Canada, for a \$75,000 purse and a \$5000 gold cup.

Weight to be carried by Sir Barton will be 126 pounds, that to be carried by Man o' War will be 120.

Something intervene to prevent one of the horses competing, the other will cover the track for the \$5000 cup alone.

The match was arranged this afternoon at a meeting between A. M. Orpen, manager of Man o' War, and Commander J. K. L. Ross, owner of Sir Barton.

An offer of \$20,000 had been made by the Laurel track for the match, but the owners refused to accept where they were offered the largest purse.

Sir Barton is regarded as the best handicap horse of the year, and Man o' War as the greatest race horse the continent ever has seen. Both are wintered in Maryland.

The distance of the race is to be a mile and a quarter.

Willis Sharpe Kilmer, owner of Exterminator, the third horse named as a prospective contender in the race, declined to enter his thoroughbred in any but a handicap event. Orpen refused to meet his demands.

CICOTTE COULD NAME GAMBLERS

Rube Benton Gives Evidence on Fixing of Last Year's World Series.

Chicago, Sept. 24.—The Cook county grand jury investigating alleged "fixing" of games in last year's world's series and charges of gambling by major league players, today heard evidence from Rube Benton, a former player, who said he was part of the fixing of the world's series.

In a special session, it was announced tonight after the jury had adjourned until next Tuesday.

The jury has received evidence which indicates an attempt by a nation-wide ring of gamblers to pollute baseball and ruin the game in the same way "crooked" gamblers had ruined horse racing, said Mr. Brigham, who is in charge of the investigation.

Comparatively few players are implicated, however, said Mr. Brigham, only "a few weak minded and weak character men being preyed upon by the professional gamblers."

EXHIBITION GAMES START OFF RUGBY

Argos and Parkdale Here With Torontos in Tigers' Town.

The rugby lid will be piled off today: Argonauts (Big Four) and Parkdale (O.R.F.U.) will play an exhibition game at Varsity Stadium and Torontos (O.R.F.U.) and Tigers (Big Four) will do the same stunt in Hamilton.

While exhibition games do not have the same standing as league fixtures, today's game at the Stadium will give the local fans an idea of the strength of two of the local senior clubs. Argonauts intend to use about thirty players today to give every man a chance to show what he is worth. Parkdale will use close to this number.

Owing to injuries Varsity only indulged in signal practice last evening. A tentative team will be picked on Monday, the squad trimmed down to twenty-two players by Tuesday.

The training table will be put in vogue after Monday and the intention is to have twenty-two players when the squad is finally cut down to playing-season strength.

Of the 21, have decided finally to put Breen on the back division. His experience will steady the other two that will have to be developed from green material. Shatz, Pearman and Siders were missing from last night's workout.

Muckle McLean, who has been working out with Varsity, will play for Torontos in Hamilton today.

A Montreal despatch says: The M. A. A. rugby team is fast rounding into condition for the opening game of the Interprovincial League against the Argonauts in Toronto a week from today.

The back field was strengthened considerably by the addition of Gardner, a last year with the Westmont High School, who was in uniform again and held the quarter-back position. Eric Clancy, who was with O'Leary's intermediates, played quarter for a while and showed up well. McHerscovitch was much in evidence again at flying wing.

Eric Skead was the only new candidate to the 15, who was in uniform again and held the quarter-back position. Eric Clancy, who was with O'Leary's intermediates, played quarter for a while and showed up well. McHerscovitch was much in evidence again at flying wing.

President Bob Ilesbater of the Interprovincial Football Union, was in Ottawa today and held a session in the Chateau Laurier, during which he explained the workings of the newly-adopted rules of the Big Four board of referees, were in conference with President Ilesbater for some time.

Belwoods O.R.F.U. junior team will play Ossington Avenue Baptist senior city team an exhibition game at Willowdale Park at 3 o'clock this afternoon.

Both teams have some good material and a good game should result. Parkdale and Argos are arranged to play at the Varsity stadium at one o'clock, but Argos did not want the senior game to prior game the senior fixture, so it was called off.

The Capital Senior City Rugby Club have elected officers for the 1920 season as follows: Patron, Mayor Church, Controller A. Maguire, Ald. P. Johnston and Mr. G. Clark; honorary past president, J. Fitzgerald and J. Garlick; president, S. Ode; first vice-president, Ramsden, M.L.A.; second vice-president, D. Gibson and Mr. P. Scott, sen.; secretary-treasurer, R. Gibson; manager, J. Jackson; coach, A. "Red" Glaze. The Capital has organized a Senior City rugby team for 1920 and have a number of good men working both on the wing and on the half, and with a few more good workers expected to be in condition to defend the old name.

In their last practice they had a number of good men out, including "Buster" Garrett, one of the Senior City's fastest quarter backs in the game. Also "Bunny" Tremble, Douglass and "Scotty" Martin, working on the half line, and you must not overlook "Sid" Harding, for he is showing some real speed on the flying wing. The wing men all have good weight and speed. The wing composed of Smith, Bryson, Dunn, Marks, Chapman, Annett, Barnett, Patchett, Kenington and Connell.

BRITISH RUGBY.

West of England will play a league game with Torontos at Trinity College grounds, kick-off 4 o'clock. West of England will be selected from the following: Jackson, W. Glaze, Harris, Hyman, Ald. H. Glaze, Reldman, Hopkings, Buck, Baker, Stubs, Davidson, Martin, Turner, Masters, Phillips.

The four clubs have been busy for weeks on workouts and practice games, and it is expected that some good games will be played during the fall. A schedule of games for six Saturdays has been arranged, the matches to be played for points.

All the clubs are open for new members and anyone desirous of taking part in the British game is invited to communicate with W. T. Freeman, P.O. box 202, or phone Main 680.

Incogniti Cricketers Play Toronto Today

Will the all-Toronto eleven, which meets the Incogniti cricket team, starting this morning at 11:30 in a two-day match, at Varsity lawn, spoil the winning streak of the famous English club, or will the local boys down to defeat as have done the powerful American teams that have recently opposed the crack players overseas.

Norman Seagrain, captain of the home team, is well pleased at his men's work, the nets. Unless new developments are made, it seems assured that when the local eleven takes the field against their powerful opponents, the attack will be shared by H. G. Wootley, Church, P. Carpenter, who has kept wicket for Rosedale, will be behind the stumps.

The visitors will arrive in Toronto early this morning.

The colors of the Incogniti are purple and black, with a thin gold stripe. In this connection, it is emphasized that the English club has many famous players in its membership, its members, when on tour, invariably play under Incogniti colors, and not under those of the county, university or club with which they may be actually identified.

SAM MANSON HAS FINE LOOKING TEAM

Hamilton, Ont., Sept. 24.—Everything is in readiness for the opening of the 1920 football season, which takes place at the H.A.A.A. field this afternoon, when the Hamilton Tigers and T. R. and A. A. teams clash in an exhibition game.

This game commences at 2:45, while, as a curtain-raiser to the senior fixture, another exhibition affair has been arranged between the Tiger intermediates and the Victoria Yacht Club, starting at one o'clock.

The Coach Sam Manson has had to build up practically a new team, very few of the old reliables turned out today, he has succeeded in rounding out what looks like a mighty fine aggregation. It is expected that they will be able to take training again next week in preparation for the opening of the league in Ottawa next Saturday.

Just what players will start in this afternoon's game could not be ascertained last evening, but Manager Manson is sure to place his best team on the field, and a strong effort will be made to turn the initial try-out into victory. Every available man will be played during some part of the game, so that some idea of just what ability each contestant has under fire may be gained.

George Awrey's intermediates are shaping up like a real team, and are conceded a good chance of bringing the intermediate honors to Hamilton this year. It is also expected that some of the players will move up to senior company before the season is very far advanced.
