NOVA-SCOTIA (19) ALMANACK.

Now thro' the neighbouring fields the sower stalks,
With measur'd step, and liberal throws the grain
Into the faithful bosom of the ground:
The harrow follows harsh, and shuts the scene.

Be gracious HEAVEN! for now laborious man
Has done his part. Ye fostering breezes blow
Ye softening dews, ye tender showers descend!
And temper all, thou world-reviving sun,
Into the perfect year!
