The employment bureau is prov-ing its usefulness, and 672 girls had been placed in positions thru its efforts.

The summer camp at Weston, where 100 girls had an outing last summer, is another valuable department,

BUSINESS WOMAN'S FIRST HOTEL RUSINESS LISINESS LISINES mer, is another valuable department, and the industrial work at Alexandra Park for business girls, teachers' meetings and similar interests have been eminently useful.

hess woman's note! In the United amountement that a permanent summer home at the Island has been secured for the girls. Last year a site was not procurable, and only by the generous offer of an anonymous friend was a home possible at all, the girls staying at a private house at Weston on the banks of the Humber. Now a large place on Lakeside avenue has been secured which will restore the bathing privileges much missed last summer. During the year 6809 girls and women were accommodated in the association residences. The cafeteria on Yonge street has been extremely successful, the premises are found to be much too small, and an effort is being made to secure larger premises in the centre of the city. Educational, travelers' aid, and industrial departments all presented encouraging reports with extensive plans for future work.

The society now has eight main other organizations seeking the same indication sedent man and tractive place for women to live. Rooms with baths are from \$13\$ to \$15\$. Rooms for transients, if there are any rooms left for such after the permanent patrons are cared to be much too small, and an effort is being made to secure larger premises in the centre of the city. Educational, travelers' aid, and industrial departments all presented encouraging reports with extensive plans for future work.

SUFFRAGE ASSOCIATION.

some, of New York, lectured in Guild Hall on Friday evening. The club represents eight of the Business Woman's Hotel Compared that the disposal planties Islands. The lecturer was brought to Toronto thru the initiative of the Calendar Club of the Ontario head their annual meeting on Thurs.

The Toronto Suffrage Association held their annual meeting on Thurs.

The Toronto Suffrage Association held their annual meeting on Thurs.

The Toronto Suffrage was the first compared the thru.

The hotel accommodates about 150 which she is known to the public, Dr. Gordon has a somewhat exceptional history. It was after she married and had become the mother of two children that the thought came to her of studying for the meeting is allowed.

The Toronto Suffrage was the first constitution of the soluciets by which she is known to the public, Dr. Gordon has a somewhat exceptional history. It was after she married and had become the mother of two children that the thought came to be obtained and an endersting of the constitution of the soluciets by which she is known to the public, Dr. Gordon has a somewhat exceptional history. It was after she married and had become the mother of two children that the thought came by which she is known to the public, Dr. Gordon has a somewhat exceptional history. It was after she married and had become the mother of two children that the thought came and membership fee of one dollar. The chinn is thin and dainty. There is a telephone he every room. No tipping is allowed.

WOMEN ARRANGE

The Exceptional history. It was after she was the first deduced, has now swelled to do the dout four hundred.

The Toronto Suffrage was the first deduced in the disputation of the education of the constitution of the somewhat exception in the disturbance of one dollar. The chinn is thin and dainty. There is a telephone he every room. No tipping is allowed.

WOMEN ARRANGE

The Exceptional history is a sufficient of the disturbance and noises that the disputation of the dout four hundred.

The Toronto Suffrage wa women in medicine would, on many occasions be a boon to their sister women, she set out to prepare herself to be among the pioneers in the work. With three little ones to bathe, dress and otherwise see to. Mrs. Gordon began her studies. Preservance, that power of stick-at-it-iveness which means so much in an idea such as she had conceived helped her accomplish The executive of the Toronto Women's Liberal Association met on Wednesday morning to discuss further plans for organization and to perfect plans for arrangements for the Provincial election. Mrs. George Lindsey presided and others present were: Mrs. Rowell, Mrs. David A. Dunlap, Mrs. R. H. MacPherson, Miss Deeks, Mrs. Opie Sisley, Mrs. P. G. Riely, Mrs. Ball, Mrs. Rutter and Mrs. J. A. McDonald.

of unusual interest came up for the cussion and reports from the different conveners.

It was announced that the city council would place a room at the disposal one might safely predict that she

woman suffrage.

It was Dr. Gordon who proposed the referendum to test the feeling of the public on the subject of the vote for married women. All the reading world knows the success of the movement in Toronto, and in response to a circular sent out by Dr. Gordon's society a number of other municipalities followed the example of Toronto. In addition Dr. Gordon has been a leader in many petitions to the legislature on this,

degree.

For several years she had been associated with the Local Council of Women, and in 1909 was appointed her belief, that she is helping in a

cil would place a room at the disposal of the council during the meeting of the national, which will take place in the fall. This is appreciated as a great boon, as it will afford an assured place where business and other delibrations may be carried on without the disturbances and noises that might come if the meetings were to be carried on in a more business or noisy centre.

one might safely predict that she would be here, for Toronto and she were always good friends. It is the sincere hope of the council that she would be here, for Toronto and she were always good friends. It is the sincere hope of the council that she may be able to attend.

Another outcome of the meeting was the appointment of Mrs. L. A. Gurnett, convener of the committee on public health, to attend as delegate the convention of the Public Health Association, which meets at Port Arthur on September 11, 12 and 13. This meeting is felt to be of a good deal of importance and Mrs. Huestis, in her

Wednesday afternoon, many subjects

of unusual interest came up for dis-

ations are now in in which she set out shall be won, and to obtain the vote for married women her own work is for her a still very burning question.

Lady Aberdeen Invited

To Attend Celebration

NOTICE how easily the four-burner gas table lifts up and folds right back out of sight when not in use? No complicated changes as in other combination ranges, where the gas burners are often located in the flues of the coal section and get clogged with soot. This is only one of the exclusive features of the "Canada Combination" Coal and Gas Range.

Two tried and tested "Moffat" Ranges combined in one.

HERE you have a Coal Range and a Gas Range that have stood the test of service built together into one range—a perfect combination. There is a separate oven for the coal range and two ovens for the gas section. The gas oven has a glass front and you can watch the food cooking without having to open the door. Another

"Canada Combination" is that the even racks draw straight out. You can easily get at the hot dishes without burning your hands. This range occupies only a space of 45 x 22 inches, and the ovens are deep and roomy. Handsomely finished in special satin enamel—guaranteed rust-proof. Be

Sold by all good dealers everywhere.

If your dealer does not handle Moffat Ranges telephone or write us direct.
