WOMEN FROM ALL PARTS OF CANADA

GAIN NEW LIFE AND STRENGTH THROUGH THE USE OF PSYCHINE.

Every day, in fact every mail, tells of the splendid help Psychine is giving to suffering women everywhere. By strengthening the blood making organs, helping the stomach and clearing out any tendency to throat, chest and lung troubles, it is giving a new lease of life to thousands of Canadian women who have not known for years what it means to be really well. Listen to what some of them say:

MRS. ANDREW CAMPBELL, Coltonwood, N. W. T.

"I caught a heavy cold which settled on my lungs and gradually led to consumption. I could not sleep, was subject to night sweats, my lungs were so diseased my doctor considered me incurable. Rev. Mr. Mahaffy, of Port Egin, Ont., Presbyterian Church, recommended Psychine, and I started to use it, with the result that the night sweats and cough ceased. I am now perfectly restored to health. Psychine has been a godsend to me."

MISS ETHEL M. WOOD, Brownsville, Ont.

"Two years ago I was going into a decline. I could hardly drag myself across the floor. My father got me to use Psychine, and people soon began to remark my improvement. I am now full of life, while a few months ago I could not struggle to church, 40 rods from my home. Psychine did it."

MRS. GEO. VOGART, Gananoque, Ont.

"I cannot speak too highly of Psychine. I was feeling nervous, trembling and run down, and had a bad cough. Psychine helped me more than anything I ever tried, and I give it all the praise."

MRS. D. McKINNON, Ingonish, C. B.

"La Grippe left my lungs and whole system weak. After dragging along and proving steadily worse on other treatments, I tried Psychine, and found a complete cure."

MRS. E. V. BLAISDELL, Amport, Ont.

"I had felt miserable for a long time, had no appetite, couldn't get any sleep, and was liable to weep or to cry. I was feeling very low, my constitution was breaking up, but by using Psychine I have proved this false. I am now well, and have been for the past five or six years."

There are only a few of the many, only a small part of the great volume of proof that Psychine is the greatest builder-up, tonic and germ killer of the age. It is doing a great work for the women of Canada. It cures consumption and all those conditions that lead to consumption.

Psychine is 50c. Per Bottle.

Large Size \$1.00 and \$2.00 Per Bottle, at all Druggists.

OBITUARY

William Cosman.

A telegram received in this city yesterday from Vancouver conveyed the sad intelligence of the death of William Cosman, formerly of this city. Mr. Cosman died March 2. He will be remembered by the older generation of citizens as a business man of sterling qualities, who for years was in the store and tinmith line at Golden Ball corner. He was the son of the late James and Betsy Ann Cosman, was of Loyalist descent and was one of the freemen of the city. During his stay here he was a member of Waterloo street church. Mr. Cosman was eighty-one years of age and is survived by his wife, five sons and two daughters. The children are: Whitfield, in Vancouver; Melbourne, in Amherst; Corey, in Boston; Vera, Cosman and Mrs. C. Freese, in Montreal; Stillman Cosman and Mrs. G. H. Colwell, of this city.

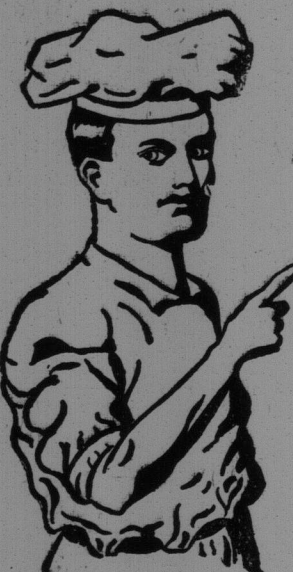

King Edward Off to the Continent.

London, March 2.—The Duke of Lancaster, as King Edward will be known for two months, left this evening for a holiday in Paris and Biarritz, and a subsequent cruise in the Mediterranean. The king, who is attended only by General Sir Stanley Clarke and the Hon. Sidney Greville, will spend the night on board the royal yacht at Portsmouth, leaving early tomorrow morning for Cherbourg and will arrive in Paris in the evening.

Rheumatism

Any lameness from exposure to cold is readily relieved by the use of Kendrick's Liniment.

When properly applied it acts promptly, and relief is certain. KENDRICK'S is a valuable household remedy.

Many Women Think

that it is impossible to make good pastry from flour made of Manitoba Hard Wheat, and, consequently, buy one kind of flour for bread and another for pastry.

Since the appearance of "FIVE ROSES" Flour on the market, there is no need for any housekeeper to do this, as this brand is made by a process which renders it not only the ideal flour for bread, but which guarantees equally good results for pastry when used the "Five Roses" way.

"Five Roses" flour will make lighter and flakier pastry than any ordinary brands on the market, whether made from Manitoba or Ontario Wheat.

All we ask is that you give "Five Roses" a fair and unprejudiced trial for pastry on your next baking day. The results will, we know, more than satisfy you. Ask your grocer for it.

SAYS WOMEN IN

ST. JOHN SOCIETY

DRINK TO EXCESS

Rev. Mr. Pritchard on Platform Repeats What Was Told Him—Club Life Attacked, Too.

Rev. H. D. May, of Carlton Methodist church, and Rev. W. S. Pritchard, of the Congregational church, delivered strong addresses in Exmouth street Methodist church last evening on the need of temperance and social reform. Rev. C. W. Hamilton presided. Both speakers claimed by intimation that dealers in liquor have nothing to fear from the present local government, and Mr. Pritchard in elaborating upon the necessity of leaving the liquor trade to the government, for the government was not the enemy of the liquor trade.

Mr. Pritchard described the liquor trade as a slippery slope, fighting in the dark. In part he said:

"There are politicians who are shaking in their shoes for fear that their connection with the liquor business will become known." He referred to what he had been told and which he believed concerning the use of liquor in fashionable St. John homes. There were too many parents willing to run grave risks for the sake of entering society. He alluded to club life, which without liquor could not be enjoyed, but club life as it exists here, and which could be known as the rich man's saloon, were more than the lowest drive in Mill or Brunswick streets.

It was the policy of the government, he said, to get all possible money out of the liquor business before doing anything which might limit the liquor men's activity. Concluding, he alluded to the feeding of the army governing the violation of the liquor law and said it was worse than an acute lawyer could find for his client numerous hospitals of disease. What the temperance party wanted was expert legal support.

THE BEGINNING OF THE TROUBLE

IS THE TIME TO STOP IT—AND THE MEANS OF STOPPING IT ARE PROVIDED BY DODD'S DYSPEPSIA TABLETS.

Have your meals become of interest to you simply because of the trouble they bring? Is your appetite gone? Do you get up in the morning with a dark brown taste in your mouth? Is your head muddled and sort of 'fuzzy' feeling? Is your day's work a burden? Do trifles worry you?

If you have any of these symptoms it is time to pay attention to your stomach. It has been overworked and needs help. Attend to it at once or you will drift into indigestion and from that to dyspepsia. Help your stomach with Dodd's Dyspepsia Tablets. They never fail to tone up the stomach and bring it back to a healthy condition.

Mrs. Ann Bajard, of Marie Clay, Bonaventure Co., Que., says: "For two years my life was a burden. I could not take the simplest food without having a pain across my stomach. One box of Dodd's Dyspepsia Tablets cured me and I have had no return of the trouble."

ST. JOHN RIFLE CLUB

N. J. Morrison to Give Challenge Cup—Plans for the Summer.

The St. John City Rifle Club annual meeting last evening in the market building was largely attended and those present were greatly pleased to hear the reports of the officers showing the club to be in a healthy condition. One box of Dodd's Dyspepsia Tablets cured me and I have had no return of the trouble."

N. J. Morrison was the unanimous choice for captain. Joe Sullivan was re-elected secretary and N. E. Shaw re-elected treasurer. The club decided to enter two teams in the league.

A lengthy discussion was then entered into with reference to the Rose rifle competing against the Lee-Enfield and it was decided not to allow the Rose into the matches of the club until the movable sight was adopted for the Enfield.

NOVA SCOTIA BUYS A NOTED STALLION

Boston, Mass., March 2.—George W. Leavitt has sold the stallion, Achille, 2,184, to the province of Nova Scotia to head the trotting stud at the college of agriculture in Truro. In getting this handsome son of Diogenes, 2,061, and Starlight, 2,184, the provincial government has made a move that will be of great benefit to every horse raiser in the maritime provinces. Achille is a grand individual, is pure gaited, a very necessary requisite in a sire; has a fine disposition, is a fast trotter, and has his lineage runs in royal lines.

The sale was the result of a visit to Readville of Prof. Cummings of the agricultural college, J. A. Fraser, editor of the Eastern Chronicle of New Glasgow (N. S.), and A. B. Elder of Amherst (N. S.). These gentlemen accompanied Mr. Leavitt to the farm where the stallion was kept, and after a long and careful examination of the animal they decided to purchase him for the sum of \$1,000.

Mr. Leavitt described the liquor trade as a slippery slope, fighting in the dark. In part he said:

"There are politicians who are shaking in their shoes for fear that their connection with the liquor business will become known." He referred to what he had been told and which he believed concerning the use of liquor in fashionable St. John homes. There were too many parents willing to run grave risks for the sake of entering society. WEARY DAYS AND SLEEPLESS NIGHTS

Many men and women to-night after night upon pillows beds and sofas, their eyes do not close in the sweet and refreshing repose that comes to those whose hearts and nerves are right. Worry or disease has so debilitated and irritated the nervous system that it cannot be quieted. Or, again, you have heart palpitation and sensation of sinking, a feeling you are going to die or perhaps you wake up from your slumber feeling as though you were about to choke or smother, and rest leaves you for the night. Allow these conditions to continue and you will feel your health declining.

It is the nerves and heart that are not acting properly.

They can be set right by the use of MILBURN'S HEART AND NERVE PILLS.

They soon induce healthy, refreshing sleep, not by deadening the nerves, but by restoring them to healthy action and removing all symptoms of heart trouble, which is often the cause of nervousness and sleeplessness.

Mrs. Katie Chambers, Massey Station, N. B., writes: "I was troubled with heart trouble, weak spells and fluttering of the heart. I was so bad at times I could not get up in the morning without having to sit up. I doctored for a whole year and got no relief. I took three boxes of Milburn's Heart and Nerve Pills and was completely cured. I have not been troubled since. I cannot recommend them too highly."

Milburn's Heart and Nerve Pills are 50 cents per box or three boxes for \$1.50. All dealers or sent direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

PART OF TOWN WIPED OUT BY CYCLONE

St. John, N. B., March 2.—A long distance telephone message to the item from Meridian, Mississippi, says a cyclone accompanied by heavy rain struck that city this evening at 6:30 o'clock. The storm centre was in the southern portion of the city and particularly heavy along Front street, one of the principal business streets of the town. Nearly every house on Front street is reported to have been demolished. The Atlantic packing plant, from which the city receives its supplies, was also destroyed. The only building left standing and the roof of this is gone.

The cyclone did severe damage at other points adjacent to Meridian and all trains entering Meridian are delayed indefinitely. The Western Union Telegraph Company reported having lost fifteen miles of wire and the Postal Telegraph Company also suffered great damage.

The wires are down between Atlanta, Birmingham, Memphis and other points, and it is impossible to secure communication with the stricken city.

A private long distance telephone message received from Meridian says the fire is raging in the devastated district. The work of the firemen is going bravely on, but owing to all lights being out, lanterns and candles are being used and the work is necessarily slow. It is thought that 150 houses are in the wreckage. The Union depot is one of the buildings blown away. The telephone wires are still down between Meridian, Mobile and other points.

A long distance message to the item from J. D. Heaux, service man of the Cumberland Telephone Company at Meridian (Miss.), gives complete details of the cyclone that struck Meridian about 6:30 this evening, as follows:

"During a heavy rain at 6:30 o'clock a storm cloud developed in the south and moved quickly over the city striking Front street, the business center, with full force. The wind was probably blowing 75 miles an hour. The cyclone passed over in about two minutes and during that period three or four whole squares were devastated. A conservative estimate places the number of buildings blown down at between 30 and 40. Among the heaviest losses are the Meyer and Neville hardware company; Tom Lyle & Co., wholesale dry goods and grocers; Joseph H. Moore, wholesale dry goods and groceries; the New Orleans and Northeastern railroad freight depot and other buildings, the names of which are not obtainable at this hour. The Mobile & Ohio depot is safe as well as the Southern hotel, but the Grand Avenue hotel was considerably damaged. The guests in the latter building escaped, however, and no one was injured."

From the business center the cyclone jumped to the east end where a number of residences were blown down and others badly damaged. Mr. Breux stated that the number of lives lost is small, probably not more than three or four. One of the victims, a man named Jackson, is home now in the wreckage and at 10 o'clock tonight he was reached by the rescuing party to whom he spoke and begged them to hurry and extricate him.

The hospital commissioners held their monthly meeting yesterday, and it was announced that nothing was done about a successor to the late Dr. Christie.

Mrs. Wilkinson, wife of Rev. William Wilkinson, of Bay du Vin, is reported seriously ill at Kentville (N.S.).
