KERENSKY HEARD FROM
 Re-entry into Russian Politics is Predicted

Petrograd, Dec. 6.—The social revolutionary newspaper *Dionosoda* (The People's Work) publishes a letter from Kerensky, former premier, in which the following passages occur: "Do you not see that your frankness is being made use of and that you are being deceived? You were promised peace with the Germans within three days. Where is it? Where is the liberty which was promised you? It is dishonorable, infamous. Fools! It is I, Kerensky, who tell you this. For eight months I safeguarded the liberty of the people and the future happiness of the masses of workers. Now they realize that when I was in power liberty was, and democracy really existed."

Stockholm, Dec. 6.—The *Helsingfors Huvudstadsbladet* reports that former Premier Kerensky is in a place of complete safety. The newspaper says he is engaged in preparations for the constituent assembly and already has been placed on the list of candidates at many places throughout the empire.
