## RUBBER GOODS

THAT ARE GUARANTEED

When you buy a Hot Water Bottle, Fountain Syringe, or any other article of rubber, it is in most cases necessary for you to rely upon the reputation of the manufacturer or of the dealer from whom you buy. But very often you find that through a flaw or defective workmanship the article which you have purchased fails to give the satisfaction which you expected ...

We protect you against defects of this kind by giving a guarantee with every rubber article which we sell, and will replace any that do not prove satisfactory. This is worthy of your consideration.

### SEPTEMBER WEDDINGS

McGinnis-Kelly

Chicago, Sept. 26—Boston's lead in the American League appeared more secure today than at any time during the season, as Chicago, closest rival, two and one half games away, has only four more games to play. Detroit, four games behind the leaders, has virtually been eliminated from the championship race, as only three more games remain on the schedule.

Boston has seven games yet to play, four with New York and three with Philadelphia. Brooklyn is being pushed hard by Phialdelphia for the leadership in the National League, only a single game separating them. In yesterday's double-header with Chicago, Brooklyn in the National League, only a single game separating them. In yesterday's double-header with Chicago, Brooklyn sing from Cincinnati. Boston elimbed to within four games of the top by taking a double-header from Pittsburgh. Games yet to be played by the three leaders are:—Brooklyn nine, Philadelphia ten, and Boston thirteen.

If so, don't buy until you have seen the "Dixie No Tuft," the mattress which has revolutionized the bedding business. The absence of tufts does away with the hard spots which tufting inevitably produces, and with the depressions at every tuft which are gathering places for a st,

Our space is too limited to describe in detail why the Dixie has twenty-five per cent. more elasticity than the tufted type; why it presents a better appearance at first, and why it keeps that appearance after other mattresses have spread and sagged out of shape. But if you will write or 'phone us for a circular which fully describes all these points, or, better still, call and let us show you samples, we feel sure that you will agree with us that it is the BEST ON EARTH.
