

SOCIETY PLANS FOR ANNUAL MEETING

Saint John Tuberculosis Association Prepares For Coming Session

The executive of the Saint John Society for the Prevention of Tuberculosis is planning for its annual meeting which takes place in the Saint John Health Centre Tuesday night next. At a meeting held at the residence of Fred Schofield the executive appointed Mr. Schofield and E. L. Rising as a committee to prepare the program for the annual meeting.

Hon. Dr. H. I. Taylor, Minister of Public Health, has said that he will attend the meeting if possible, and there will be addresses by Dr. R. J. Collins, superintendent of River Glade Sanatorium, and Dr. G. J. Wherrett, traveling diagnostician for New Brunswick. The election of officers will take place and the reports of the year will be received.

It was said last night that the reports would show the year to have been one of great activity and steady progress in the fight against tuberculosis. The nurses made 4,810 visits to homes and 966 examinations were made by the doctors. The reduction of the tuberculosis death rate, from 36 last year to 31 this year, is considered to be largely due to the intensive work carried on by the society in case finding and the examination of contacts.

2 RUNAWAYS FROM AMHERST CAPTURED

MONCTON, Nov. 13.—The Moncton police have apprehended two boys who ran away from their homes in Amherst a few days ago. One was sent home today and the other is being held awaiting instructions from Amherst as to his disposal.

SOCIAL ENJOYED.

St. Mary's church congregation social last evening was largely attended but was overshadowed by sorrow because of the sad bereavement of J. N. Rogers, who had been called upon to suffer the loss of his wife. The choir of the church had prepared a special program but out of sympathy for Mr. Rogers it was decided not to give it. St. Mary's Band kindly substituted and gave several selections, most of which it had played for its radio concert a short while ago. Readings were contributed by Miss Dorothy Lane, vocal solos by A. LeDrew Gardner, a piano duet by Mrs. George Howitt and Mrs. R. T. McKim. Rev. R. T. McKim was chairman and brief addresses were given by the church wardens, H. J. Barton and W. T. Ingraham, and Harold Peer.

ROTHESAY GUIDE NOTES.

Owing to the Thanksgiving holiday, the Second and Third Rotheresay companies did not meet this week.

Wednesday a very thrilling game of basketball was played between the Netherwood School and Second Rotheresay Company teams, the former winning.

The last meeting of the First Rotheresay Company was spent in studying for second class and tenderfoot badges.

BRIDESMAID IS AN UNPOPULAR ROLE

Movement is on Foot in London to Put End to Custom

LONDON, Nov. 14.—There is a movement afoot to put an end to the quaint and pretty practice of having bridesmaids at weddings. Being a bridesmaid took too much time and cost too much money, say the debutantes.

"We all have so many other and more interesting things to do," she said. "Frocks have to be chosen, and there has never been a frock made that suited all the bridesmaids equally well. Then they have to be fitted, usually by the bride's dressmaker, when one would much rather go to one's own. They are usually quite unsuitable for wear afterwards, and hats, when worn, are out of fashion by next season."

Perth W. A. Holds Monthly Meeting

Sum of \$20 Voted to Protestant Orphanage in Saint John

PERTH, Nov. 13.—The November meeting of the Perth Women's Institute was held at the home of Mrs. J. Leeb Hopkins recently with Mrs. G. N. King as joint hostess. Mrs. H. S. Wade, president, was in the chair. Roll call was responded to by Thanksgiving quotations. Twelve members and one visitor were present.

A motion was passed that \$20 be taken from the Institute funds and contributed to the Protestant Orphanage at Saint John.

Committees appointed to act during the coming month were as follows: School, Mrs. Coughlin and Mrs. Harry Lewis; sick, Mrs. Niles and Mrs. Earle; committee consisting of Mrs. Wade, Mrs. Sadler and Mrs. Hopkins were appointed as judges of the essays written on "Halloween" by the school children, for which prizes will be given.

An interesting program was carried out, as follows: Community singing, with Louise Blakelee as pianist; poetical selection on Thanksgiving by Mrs. Leeb Hopkins; mandolin and piano duet, Louise Blakelee and Mrs. King. As a number of the members taking part in the program were unable to attend, a spelling match was suggested, which caused much merriment. Mrs. King being the champion speller. This was followed by community singing, after which luncheon was served and the meeting adjourned.

HONORED ON THEIR 20TH ANNIVERSARY

Mrs. and Mr. Arthur Carpenter, of Queenstown, were given a surprise at their home Thursday night, when a party of friends from Saint John and surrounding country called on them, to bring the twentieth anniversary of wedding.

A suitable address was read by one of the guests and Mrs. Carpenter presented a shower of beautiful gifts. Cards and dancing were enjoyed and a delightful supper served during the evening. Mr. and Mrs. Carpenter are well known in the city.

Added "E" In Wire Leads To Trouble

LONDON, Nov. 14.—The addition of the letter "e" to a word in a telegram had an unpleasant sequel for a Grimby wife, whose husband has just been sentenced to three months' imprisonment for leaving his wife and child chargeable to the guardians.

The husband, George Robert Wallace, left his wife in April, 1923, and when she wrote saying that she was going to join him she received the telegram: "You come, I quite understand." She accordingly went to her husband, but he angrily declared that the telegram should have read: "You come, I quit. Understand."

YARMOUTH, N. S., Nov. 13.—The Yarmouth schooner, "Defender," Capt. Alexander Shaw, was wrecked at Three Islands, Grand Manan, N. B., during the recent storm, when she parted her moorings and piled up on the shore, according to word received here tonight. Captain Shaw and his crew of two men escaped in the vessel's dory.

One of the prettiest debutantes presented at Court last year, she is a keen rider, golfer, and tennis player, and one of the best dancers in London. She is very popular with the royal family, and has frequently been the guest of the Duchess of York at White Lodge.

The engagement was announced at a dinner at which a number of well-known Americans were present, including Ambassador and Mrs. Houghton.

Instant Beauty

Gleamy, Thick, Wavy Hair in a Moment

Girls! Try this! When combing and brushing your hair, just moisten your hair-brush with a little "Danderine" and brush it through your hair. The effect is startling! You can dress your hair immediately and it will appear twice as thick and heavy, an abundance of gleamy, wavy hair, sparkling with life, incomparably soft, fresh, youthful.

Besides beautifying the hair, a 35-cent bottle of refreshing, fragrant "Danderine" from any drug or toilet counter will do wonders, particularly if the hair is dry, thin, brittle, faded or streaked with gray from constant curling and waving which burn the color, lustre and very life from any woman's hair.

"Danderine" acts on the hair like fresh showers of rain and sunshine on vegetation. It goes right to the roots, invigorates, nourishes and strengthens them, stopping falling hair and helping the hair to grow thick, healthy and luxuriant.

REPAIRS MADE.

THE FAITHFUL DOG.

Bradford, N. H., has been witness to the pathetic faithfulness of a dog. An automobile party going through the town stopped to change a tire. Somewhere their dog left, and he has been waiting ever since for his master's return. He stays on the opposite side of the street, his eyes glued most of the time on the discarded tire. People in the vicinity are feeding him, but because he is so shy of strangers, no one has been able to get near enough to him to read the name on his collar.
