

## Presentation of Prizes at Clerical League Banquet

The Clerical Bowling League closed its second successful season with a banquet and entertainment last evening at Bond's at which the various prizes offered at the beginning of the season were presented to their winners. The affair was largely attended and a special programme was prepared for the occasion. Frank Ashe, president of the league, presided.

The earlier part of the evening was spent in the enjoyment of the excellent repast which had been prepared. Following this the toast to "The King" was proposed by the president of the league and responded to with the singing of the National Anthem. The president then gave a brief address, in which he congratulated the members of the New Brunswick Telephone Company team on their achievement in winning first honors and spoke of the extremely successful season that the league had enjoyed.

Mayor McEllan then presented the prizes won by the members of the N. B. T. team to them. He said that he considered that bowling produced more good losers and winners than any other sport in existence. He expressed his great pleasure at being present at the banquet of the Clerical League, as it was composed principally of clerks and was the clerks of this city, who first awoke to the fact that the city of St. John had to be redeemed. He said that they had worked hard for the good of the city and that they were now going to enjoy the fruits of their labors. His worship said that, but for the clerks of the city, St. John might have taken several steps backward instead of the recent great advance. He declared that St. John had one of the most advantageous geographical situations in Canada and the citizens were just commencing to have the opportunity to make the most of it. It was his purpose to carry out at City Hall just what he had agreed to do when he entered the field as a candidate for civic honors.

Prizes Presented. Following this address the mayor presented to Ernest Till, captain of the N. B. T. team, the cup donated by the Railway Mail Clerks for the leaders of the league. This cup has to be won twice to enable a team to own it. He also presented to Mr. Till a cup, donated by the league, which will become the permanent property of the winners. Each member of the winning team also received a gold stick pin, donated by E. L. Rising, honorary president of the league. These pins had two crossed bowling pins surmounted by a miniature gold bowling ball.

C. H. Smythe, the oldest employee of Waterbury & Rising Ltd., brought expressions of regret from E. L. Rising and Harold Rising that they were unable to attend the banquet. F. J. Nisbet, manager of the New Brunswick Telephone Company, presented to the Railway Mail Clerks their cup for winning second honors in the league and presented to each member of the team gold pencils. G. K. Garnett, captain of the R. M. C. team, accepted the prizes on behalf of his team. Mr. Nisbet also presented to the Atlantic Sugar Refinery team the cup for third position and to each member of the team a pair of gold cuff links. W. Wright accepted the prizes on behalf of his team. C. A. Kee presented the three high average prizes for the season with a short but witty speech. First prize, a silk umbrella, went to Harry Sullivan, with an average of 81.27-48; second prize, another silk umbrella, went to J. E. Marshall, with an average of 80.42-75; and third prize, a pair of cuff links, went to J. Leeman, with an average of 80.63-78. In accepting first prize Mr. Sullivan showed his sportsmanship by announcing that he did not think he was entitled to the first honors, as he had been ruled nearly as many times as Mr. Marshall and it was only upon the insistence of the committee that he had accepted the prize. Mr. Marshall said in the course of his reply, that Mr. Sullivan had won his honor fairly and he richly deserved it.

F. P. Starr presented to F. Leeman a pair of cuff links for winning the high three strings with a total of 220 and to G. Mathewson a safety razor, for winning the high three strings with a total of 220 and to G. Mathewson a safety razor, for winning the high three strings with a total of 220.

Playing a threesome at the Greenwich Country Club yesterday, Alfred Morrell gained the distinction of being the first Greenwich golfer to make a hole in one during the present season. The achievement came on the fifteenth hole, 205 yards. Playing into the wind, the player green, Morrell saw his ball pass directly over the direction flag. Walking to the green, he was unable to locate the pellet, until finally his fellow-players, J. H. Redfield and A. E. Atherton, took out the flag and discovered the ball resting in the bottom of the cup. It was the second time that he had accomplished the feat, the other occasion being at Palm Beach in 1918.

Two distinct features of this tour headed by Mr. Hunter are: First, the major league players while in Japan, where they play a series of twelve games stretched over a period of five weeks beginning on November 4, will be the guests of Waseda and Keio Universities; second, the enterprise purposes solely to stimulate interest in America's national game in Japan and to develop a keener sense of the value of athletics and clean sportsmanship, free from any stain of commercialism, in the life of a nation. Leaving Japan, the party will travel through Korea, Manchuria and China, showing everything of interest without giving thought to baseball, for no games are scheduled till Manila is reached. In Manila two weeks will be spent, during which time four games are to be played. Here the party will be the guests of the American Chamber of Commerce, The Elks Club and the Rotarians. Honolulu will be visited on the return trip, and San Francisco reached late in January. The personnel of the party, with proposed itinerary, is being forwarded to Judge Landis for his official sanction. The transportation details are being worked out by E. T. Stebbing, general agent, Canadian Pacific (Steamship Traffic), New York City.

No Shut Out in 201 Games. Minneapolis, May 12—The Minneapolis team of the American Association has played 201 consecutive games without being shut out. This, according to word from Thomas J. Hickey, Association president, establishes a world's record. By scoring eight runs last Sunday Minneapolis successfully escaped a "white wash" through 201 games, and incidentally made the tallies of the same pitcher who last let the Millers down without a run. The last shutout against the Millers was recorded Sept. 17, 1920, when Ben Tincup, pitcher for Louisville, blanked them, 13 to 0. In a congratulatory letter to Manager Joe Cantillon, President Hickey declares that, as far as he can ascertain, no other ball club has escaped shutouts even for single season.
