

### How Gray's Syrup Breaks Your Cough

In breaking up your cough and correcting the accompanying ailments, you will find that Gray's Syrup brings prompt relief in three distinct ways.

**First**—Immediately on taking Gray's Syrup the dry, inflammatory condition of the throat is eased. Swallowing becomes less difficult and the throat performs its natural functions in comfort.

**Second**—no matter how tight and dry a cough is, Gray's Syrup loosens it up. The cough rapidly diminishes under consistent treatment and does not again become distressing enough to continue to strain the throat and lung muscles.

**Third**—the phlegm which collects on the affected parts and clogs the tubes is quickly raised. The healing and soothing influence of Gray's Syrup coming into direct contact with the affected parts brings them back to their normal condition.

Helbert, president of the United Farmers of Ontario, on his return to Toronto today from a western Ontario trip.
