Minard's Liniment for Coughs and Colds

QUEEN SQUARE W. M. S.

The regular monthly meeting of the Queen Square Church Missionary Society was held on Thursday evening at the parsonage, 16 Pagan Place. Occupied by the illness of the president, Mrs. N. Dickinson the chair was occupied by the first vice-president, Mrs. I. Bilsard. The devotional exercises were led by Mrs. T. O. Bales. The corresponding secretary, Miss C. M. Pratt, reported that several letters of sympathy had been sent to members who were ill. Several other matters of routine business were discussed, after which a course of study was taken up from the Mission Study Book, led by Mrs. N. McLaughlin. A paper by Miss Besie Thompson, on the literature needed in missionary work on the field, was read by Mrs. Bilsard owing to the former's illness. A round table conference followed when questions on the evening's study were discussed. Those who took part in this round table discussion were: Mrs. P. O. Dale, Mrs. F. E. Logan, Mrs. H. P. Newcombe, Miss C. M. Pratt, Mrs. W. Hawker, Mrs. S. Bustin, Mrs. J. Cox and Miss Sarah Smith.

Croupy Cold Goes Overnight  
Ontario Lady Says Vicks "Has No Equal."

Every mother wants her children to be active and to grow strong through outdoor play. But frequent colds sap their vitality, cause loss of school standing, and keep youngsters puny and delicate.  
Mothers who use Vicks VapoRub for children's colds find that the kid- dles can play outdoors and that their cold troubles can usually be checked overnight.  
Applied externally, Vicks acts like a liniment or poultice. In addition, the ingredients are vaporized by the body heat and are inhaled directly into the inflamed air passages. This double action quickly loosens up a cold.  
Mrs. A. Lott of 72 Empress street, London, Ont., writes: "I wish to say for children with croup Vicks is grand, and for colds it has no equal. Baby has just come in and wants Vicks put on his hand which he hurt while playing. It is a fine thing and I would not like to be without it in the house."  
At all drug stores, 50c. a jar. For a free test size package, write Vicks Chemical Co., 344 St. Paul St., W., Montreal, P. Q.  
The Vicks is new in Canada, it was a remarkable sale. Over 17,000,000 jars used yearly.

CHARLIE AND POLA AGAIN ENGAGED.

Chances Are Taken With Cold in Head  
Such a Cold Should at Once be Relieved or Ailments Likely to Follow.  
It is not a long way from the head to the lungs when the passage is made by a cold. When it reaches this stage a cold is tenacious and hard to cure, whereas, if treated in its early symptoms it would yield to a good remedy and save a lot of trouble. Everyone dreads pleurisy and pneumonia, but thousands neglect a cold in the head, which often is the cause.  
That cold can be relieved in a single night by starting to take Grip-Fix as soon as the trouble appears.  
This remedy is the one any reliable doctor would prescribe, only put handy capsule form and it strikes right at the root of the trouble. It keeps the system open and relieves the muscular pains. It reduces the feverish symptoms. Two capsules taken three hours apart give wonderful results, and one capsule at two-hour intervals thereafter finishes the work.  
Never be without a box of Grip-Fix in the house. On sale at Wassons Drug Stores, 35c. a box.
